Practicing Grammar and Usage Muriel Harris,1997 Prentice Hall Reference Guide to Grammar and Usage Muriel Harris,2003-10-01 Center Will Hold Michael Pemberton,2003-12-01 In The Center Will Hold Pemberton and Kinkead have compiled a major volume of essays on the signal issues of scholarship that have established the writing center field and that the field must successfully address in the coming decade The new century opens with new institutional demographic and financial challenges and writing centers in order to hold and extend their contribution to research teaching and service must continuously engage those challenges Appropriately the editors offer the work of Muriel Harris as a key pivot point in the emergence of writing centers as sites of pedagogy and research The volume develops themes that Harris first brought to the field and contributors here offer explicit recognition of the role that Harris has played in the development of writing center theory and practice But they also use her work as a springboard from which to provide reflective descriptive and predictive looks at the field **Prentice Hall Reference Guide to Grammar and Usage** Muriel Harris,1994 **Practicing Grammar and Usage** Muriel Harris,Lois G.
