Holistically healthy humans: championing mental and physical wellbeing in education Michelle Jayman,Anthea Rose,Jonathan Glazzard ,Aimee Quickfall,2025-12-03 Public health data shows that addressing the global mental health crisis is more challenging in the post pandemic environment The poorest children are four times more likely to experience difficulties than their wealthiest counterparts Crucially health does not operate at a singular level mental and physical health are inextricably linked Our physical body depends on our mental state and vice versa and improvement or decline in one area can trigger improvement or decline in the other For example many mental health difficulties and the associated stress they cause can disrupt sleep which is harmful to physical health over time Therefore it is vital to understand and engage with health and wellbeing from a holistic perspective Clearly a better understanding of the relationship between mind and body is imperative to help researchers practitioners and policymakers tackle co existing conditions support those experiencing difficulties and promote universal healthy behaviours to ameliorate the current crisis This Research Topic aims to explore the bi directional relationship between mental and physical health and ways of developing holistic wellbeing and healthy lifestyle practices The benefit of physical activity on the mental wellbeing of children and young people is strongly supported Numerous psychological effects including on self esteem cognitive function mood depression and quality of life have been shown and the body and brain are both extremely responsive to change Exercise can enhance mood and self esteem while decreasing stress levels Pertinently stronger effects were found

when participation in physical activity occurred in a school based setting Conversely poor physical health significantly increases the risk of mental health difficulties often accompanied with physical symptoms such as headaches and poor sleep This Research Topic will provide a wide reaching forum to present the latest research evidence on the essential components of wellbeing under one holistic lens Furthermore by adopting a health promotion and prevention framework it aims to offer pathways from research to practice for schools colleges and universities Specifically by providing practical solutions for adaptation and implementation at a local level Thus this Research Topic encourages the universal adoption of evidence based best practices and the championing of holistic wellbeing approaches across diverse education settings This Research Topic is broad in scope with its commitment to exploring wellbeing in education from a holistic lens and the parity of esteem between mental and physical health Mental and physical health themes and integrated approaches are equally relevant contributions Health topics include nutrition poor diet may be a causal factor in the experience of low mood and improving diet may help to protect not only physical health but mental health too With a key focus on prevention and promotion and support systems and interventions in educational settings articles featuring primary research on modifiable factors such as diet exercise and psychosocial interventions are welcomed Other pertinent topics may include integration of physical and mental health services support vulnerable groups and inequalities in health addressing access barriers and treatment gaps harnessing digital health technologies training across physical and mental health support in schools and other educational settings and integrating holistic wellbeing into daily life Policy and review manuscripts are also of interest

**Horoscope Mindfulness**  
**Aquarius: The Stars and the Future** Alexandre Tower, 2024-11-07 Introduction With a touch of passion dedication and profound awareness Alexandre Tower guides us into 2025 a year that opens like a blank canvas ready to be painted with the myriad cosmic influences that traverse our skies In this extraordinary journey among the stars the author approaches the universal themes of the past present and future with empathy and curiosity highlighting the profound connection between our inner world and the universe that surrounds us In this book the horoscope becomes a powerful key not only to foresee what destiny holds for us but also to help us live in harmony with it exploring the mysteries of our essence through the art of mindfulness Horoscope 2025 Mindfulness is not just a collection of astrological forecasts it is a genuine invitation to live consciously to seize every opportunity that the future offers and to make every day special and meaningful In a world that moves fast where uncertainty and stress often dominate Alexandre presents us with a fresh and optimistic vision of the stars a chance to pause breathe and reconnect with our deepest self The Past the Present and the Future An Astral Reflection Awareness of the past is the first step toward understanding the present The stars in fact are not merely a map of what is to come but also a reflection of the choices that have brought us here Each zodiac sign has its own story a journey shaped by experiences challenges and triumphs Alexandre invites us to carefully and sensitively examine our past so we can face the future with greater clarity and serenity Every sign every planet every planetary transit speaks of who we have been and who

we can become In this perspective the author reveals how each celestial event is not only an indication of our destiny but also an opportunity to make conscious choices that can enrich our lives The present the here and now is where we can exercise our power Each chapter of this book is not merely a passive read but a guide to mindfulness offering practical suggestions alongside insights into the current positions of planets and stars These reflections serve as tools for overcoming challenges and embracing the joys of everyday life The future therefore is never a fixed immutable idea it is a series of opportunities we can shape with our awareness and mental presence The author invites us to look toward the future not with fear but with enthusiasm as a journey leading to new horizons loves and discoveries Every forecast every astral analysis is imbued with optimism The stars after all are not just guides to what will happen but mirrors of what we can become if we listen to our hearts and walk our path with courage and openness The Optimism of the Chapters What Wonderful Things Will Happen One of the most fascinating and engaging aspects of Horoscope 2025 Mindfulness is undoubtedly the section titled What Wonderful Things Will Happen Here each month is imbued with an aura of magic and optimism In an era when media and society often present us with images of uncertainty and disillusionment Alexandre invites us to dream Each chapter not only predicts what lies ahead but also encourages us to embrace opportunities to be grateful for everyday miracles and to nurture hope What Wonderful Things Will Happen is a celebration of life s beauty and of humanity s capacity to turn every moment into something extraordinary Each month s forecast is not just an astrological opportunity but also an invitation to reflect on the inner resources we can draw upon to make our lives more fulfilling and joyful Every reader will feel inspired to bring out their best making choices that lead to unparalleled personal growth Optimism resonates through every line instilling a sense of peace and strength that highlights the power each of us holds in shaping our lives The Kitchen as a Sensory Journey Monthly Recipes At the heart of Horoscope 2025 Mindfulness lies a section that combines care for the soul with nourishment for the body exceptional recipes Each month is accompanied by a dish designed not only to satisfy hunger but also to transform daily experience into a sensory journey stimulating our senses and enriching our spirit With the intention of making the culinary experience both mindful and delightful Alexandre has crafted recipes that celebrate the simplicity and goodness of fresh ingredients meant to nourish both body and soul These recipes are designed as mindfulness rituals inviting readers to focus on the present to slow down and to savor the act of preparation For each month the reader will find a dish harmonized with the astral energies of that period a way to feel more in tune with the universe using food as a tool for growth and awareness The recipes in this book are not merely about satisfying hunger they are an opportunity to create a deep connection with what we eat Each dish is an invitation to pause breathe and savor the present moment Whether it s a simple soup or an elaborate meal each recipe becomes a chance to be more present bringing mindfulness into every daily act
