Make Digital Products That Never Expire: Long-Lasting Income Through Evergreen Assets Ahmed Musa, 2025-05-31 The best digital products don't just make money once; they make money for years. Make Digital Products That Never Expire is your guide to building offers that stay relevant, deliver consistent value, and sell long after the hype has died down. This is about creating once and earning again and again. In a landscape obsessed with constant launching and trend chasing, this book offers an alternative long game thinking. You'll learn how to design products around timeless needs, package them with simplicity, and build distribution systems that don't depend on your daily input. These products don't require constant updates. They don't lose relevance with algorithm shifts. They're built on principles, systems, and outcomes that last. From evergreen courses to downloadable toolkits and on-demand trainings, the assets you'll create from this approach will reduce your marketing pressure, free up your time, and give you the compounding effect every creator dreams of. This isn't about quick cash; it's about lasting wealth earned through assets that continue to serve without expiration dates.

Lincoln Adams was only supposed to be a drunken mistake, the consequence of a little too much Christmas wedding eggnog and loneliness. Once he's asleep, I sneak out of his apartment expecting to never see the drummer again. Except I left my guitar at his friend's house. And my earring on his floor. An earring he uses to leverage me into a lunch date where he starts chipping away at the armor erected around my heart with his too insightful mind and gorgeous green eyes. His touch heats up my body with a need I've never felt before. I won't do a relationship ever again, but a surprise mutual connection brings us together for a week of sharing and sensual delights. Seven days of friends with benefits, then we go our separate ways. What happens in Virginia can stay in Virginia, right? This story is intended for readers 18 and over due to adult language, sexual content and adult situations. **The Unofficial LEGO Technic Builder's Guide, 2nd Edition** Pawel Sariel Kmiec, 2016-10-01 This thoroughly updated second edition of the best-selling Unofficial LEGO Technic Builder's Guide is filled with tips for building strong yet elegant machines and mechanisms with the LEGO Technic system. World-renowned builder Pawe Sariel Kmiec covers the foundations of LEGO Technic building from the concepts that underlie simple machines like gears and linkages to advanced mechanics like differentials and steering systems. This edition adds 13 new building instructions and 4 completely new chapters on wheels, the RC system, planetary gearing and 3D printing. You'll get a hands-on introduction to fundamental mechanical concepts like torque, friction and traction as well as basic engineering principles like weight distribution, efficiency and power transmission, all with the help of Technic pieces. You'll even learn how Sariel builds his amazing tanks, trucks and cars to scale. Learn how to build sturdy connections that can withstand serious stress. Re-create specialized LEGO pieces like casings and u-joints and build custom complex Schmidt and Oldham couplings. Create your own differentials, suspensions, transmissions and steering systems. Pick the right motor for the job and transform it to suit your needs. Combine studfull and studless building styles for a stunning look. Build remote-controlled vehicles, lighting systems, motorized compressors and pneumatic engines. This beautifully illustrated full-color book will inspire you with ideas for building amazing machines like tanks with suspended treads, supercars, cranes, bulldozers and much more. What better way to learn engineering principles than to experience them hands-on with LEGO Technic? New in this edition: 13 new building instructions, 13 updated chapters and 4 brand new chapters. *Cyber Hygiene for the Digital Age: Building Resilient Habits for a Safer Online Life 2025* AUTHOR:-SUDHA RANI PUJARI, PREFACE In today's interconnected world, cybersecurity is no longer a luxury but a necessity. With our personal, professional and financial

lives increasingly conducted online the risks associated with digital activities are more prevalent than ever However many individuals and organizations still overlook the importance of securing their digital assets often assuming that cybersecurity is a concern for IT specialists alone This book aims to challenge that belief and allow every reader to take control of their digital security The idea for this book came from years of hands on experience in the cybersecurity field where I have witnessed the consequences of neglecting basic digital hygiene From simple password errors to inadequate protection of home networks the vulnerabilities people face is often preventable Throughout my career I have seen the damage caused by cyber attacks but I have also seen the power of active security measures in mitigating these risks This book is designed for individuals at every level of technical proficiency Whether you are just beginning to explore the world of cybersecurity or you have been in the field for years the aim is to provide practical accessible guidance that you can apply immediately Each chapter focuses on essential cybersecurity topics from everyday cyber hygiene to securing your home network and protecting children online Real world case studies and expert insights are included to help illustrate key points and highlight the impact of good or bad security practices I hope that by reading this book you will gain the knowledge to secure your digital world and the confidence to implement these practices in your everyday life Cybersecurity is not just about complex technical defenses it is about making wise decisions in the face of everyday digital threats The journey to better digital security begins with understanding the risks and taking small deliberate steps to mitigate them Whether securing your personal devices or protecting your business the practices shared here can help create a safer digital environment for you and your loved ones
