MLB Playoffs Under 50 Florida:

Baseball's Longest Games Philip J. Lowry, 2010-04-23 Baseball is the only major team sport that doesn't feature a clock and there's a familiar saying among fans that as long as outs remain the game can theoretically go on forever. Every now and again it nearly does as author Phil Lowry demonstrates. The product of more than four decades of research, this book catalogs baseball games from around the world and throughout history that lasted 20 or more innings, stretched five or more hours, or ended after 1:00 am. Lowry also examines probability models to predict how often games of unusual length will occur. The Baseball Research Journal Society for American Baseball Research (Sabr), 2006-01-20 The Baseball Research Journal presents baseball research with a strong analytical approach. Made up of statistical studies in depth examinations of playing techniques and articles focusing on baseball as a business, the Baseball Research Journal draws from the research efforts of members of the Society for American Baseball Research. *Sports Places Rated* Richard Whittingham, 1986 **The Sporting News Baseball Register** David Walton, 2002 This easy-to-use alphabetical reference includes major and minor league statistics especially useful for fantasy league players plus biographical information and statistical notes. **ESPN Sports Almanac 1998** Inso Corporation, 1997-11-27 ESPN has taken the original Information Please Sports Almanac known for its thorough stats, compelling facts, and commentary and added ESPN's unique voice, point of view, and contributions of network personalities. From the major leagues to the minor leagues to the college and high school ranks, no one covers the game more thoroughly than Baseball America. And no book offers you a more complete recap of the previous season than BA's annual Almanac, now in its 20th year. The 2002 Almanac is our largest ever, 464 pages. It has all the major league news and statistics, an overview of each organization's season, the minor league year in review, comprehensive college coverage, a full recap of the 2001 draft and foreign and winter league coverage. You'll see lots of baseball annuals, but there are none as comprehensive as Baseball America's Almanac.
