**The New Republic** Herbert David Croly,1981 *Alive and Kicking* Michael Graubart Levin,1993 For years the members of the large and pathologically litigious Gaines family have seen one another only across the courtroom or across the casket For this family a revered and time honored tradition has been as soon as one member dies to lose no time in contesting the will aided by the warring and related law firms of Shapolsky and Shapolsky and Shapolsky Shapolsky Now their endless family squabble takes a new turn when fresh faced young banker Amelia Vanderbilt helps Harry Gaines 92 year old patriarch and possessor of a multimillion dollar fortune draft a will requiring his fractious heirs to get along or lose the whole 60 million bundle But each of the many Gaineses has his own ideas about how to spend the money and getting along happens only when two join forces to sue a third Will Sam David s bribes work and allow him to construct three Trump Toweresque skyscrapers with the money Or will Dwight David ne er do well and Cap d Antibes denizen open a disco Will the money be used to fund homeless shelters or to open a museum of stunt car driving What will the two Shapolsky law firms do if they lose their best and only clients And what secrets is Amelia hiding as she tries to shepherd the Gaineses into an

agreement But can the Gaineses agree on anything Or will a hundred years of spite and an army of greedy lawyers spoil the last hope for family peace Greed can turn even the nicest people into Borgias and the Gaineses aren't all that nice to begin with In this comic twist on the family saga Michael Levin demonstrates the sure sense of comedy and irony that earned praise for The Socratic Method and Settling the Score with a cast of memorable characters and a plot that has more twists than a Shapolsky legal argument BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved From Here to Retirement Paul Fremont Brown,1988 **Colorado Medicine** ,1985 **New York** ,1972
