Pioneer Jesuits In Northern Mexico:

Pioneer Jesuits in Northern Mexico Peter Masten Dunne, 2022-09-23 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1944 **Pioneer Jesuits in Northern Mexico** P.M. Dunne, 1972 **Pioneer Jesuits in Northern Mexico** Peter Masten Dunne (S.J.), 1944

Early Jesuit Missions in Tarahumara Peter Masten Dunne, 2023-11-15 This study of the Jesuit mission system in northern Mexico is the third volume in a series focused on the Jesuit activities in Spanish North America Building upon the second monograph *Pioneer Jesuits in Northern Mexico* 1944 which explored the missions among the Acaxe Xixime and Tepehuan tribes in the Sierra Madre Occidental and plains of modern day Coahuila this volume takes the story further north into the Tarahumara region of present day Chihuahua This extension of the Jesuit mission system marks an important chapter in the northward expansion of Spain's colonial frontier The Jesuits presence in Mexico was abruptly halted in 1767 when they were expelled by the King of Spain and the order was officially suppressed by Pope Clement XIV in 1773 However the Jesuits were restored by the papacy in 1814 and by the latter part of the century they had returned to Mexico They resumed their mission work including efforts among the Tarahumara people and their influence continues into the 1940s This historical account offers valuable insight into the Jesuit mission efforts in northern Mexico and their lasting legacy in the region This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1948

Rules and Precepts of the Jesuit Missions of Northwestern New Spain Charles W. Polzer, 2016-10-18 An exceptionally valuable research tool for scholars The noted Jesuit historian has translated the rules and precepts that governed the mission expansion in the 1600s and 1700s in northwestern Mexico and has added authoritative commentary to make this work literally a manual on the missions **Defiance and Deference in Mexico's Colonial North** Susan M.

Deeds, 2003-08-01 In their efforts to impose colonial rule on Nueva Vizcaya from the sixteenth century to the middle of the seventeenth Spaniards established missions among the principal Indian groups of present day eastern Sinaloa northern Durango and southern Chihuahua Mexico the Xiximes Acaxees Conchos Tepehuanes and Tarahumaras Yet when the colonial era ended two centuries later only the Tepehuanes and Tarahumaras remained as distinct peoples the other groups having disappeared or blended into the emerging mestizo culture of the northern frontier Why were these two indigenous peoples able to maintain their group identity under conditions of conquest while the others could not In this book Susan Deeds constructs authoritative ethnohistories of the Xiximes Acaxees Conchos Tepehuanes and Tarahumaras to explain why only

two of the five groups successfully resisted Spanish conquest and colonization Drawing on extensive research in colonial era archives Deeds provides a multifaceted analysis of each group s past from the time the Spaniards first attempted to settle them in missions up to the middle of the eighteenth century when secular pressures had wrought momentous changes Her masterful explanations of how ethnic identities subsistence patterns cultural beliefs and gender relations were forged and changed over time on Mexico s northern frontier offer important new ways of understanding the struggle between resistance and adaptation in which Mexico s indigenous peoples are still engaged five centuries after the Spanish Conquest

Records of the American Catholic Historical Society of Philadelphia ,1962 **Pioneer Jesuits in Northern Mexico** Peter Masten Dunne (S.J., Le P.),1944 **After Kino: Jesuit Missions in Northwestern New Spain, 1711-1767** ... John Augustine Donohue,1969 **Jesuit Encounters in the New World** Joseph A. Gagliano,Charles E. Ronan,1997

Missions Begin with Blood Brandon Bayne,2021-10-26 Winner 2022 Frank S and Elizabeth D Brewer Prize While the idea that successful missions needed Indigenous revolts and missionary deaths seems counterintuitive this book illustrates how it became a central logic of frontier colonization in Spanish North America Missions Begin with Blood argues that martyrdom acted as a ceremony of possession that helped Jesuits understand violence disease and death as ways that God inevitably worked to advance Christendom Whether petitioning superiors for support preparing to extirpate Native idolatries or protecting their conversions from critics Jesuits found power in their persecution and victory in their victimization This book correlates these tales of sacrifice to deep genealogies of redemptive death in Catholic discourse and explains how martyrological idioms worked to rationalize early modern colonialism Specifically missionaries invoked an agricultural metaphor that reconfigured suffering into seed that when watered by sweat and blood would one day bring a rich harvest of Indigenous Christianity **Handbook of North American Indians: Southwest** ,1983 Catalog of the Latin American

Collection University of Texas at Austin. Library. Latin American Collection,1969 **The Course of Mexican History** Michael C. Meyer,William L. Sherman,1995 Still the leading book on Mexican history from the pre Columbian periods to the present this thoroughly updated sixth edition of The Course of Mexican History introduces a new co author Susan Deeds and features a new emphasis on social and cultural history It offers a new understanding of indigenous cultures including revised discussions of pre Columbian central Mexico and the Spanish conquest of Mexico as well as an examination of new trends in the fast changing field of Mayan studies Using recent scholarship and discoveries the authors have expanded the sections on the historical background of Spanish conquistadors and the social religious and cultural history of Mexico s colonial period with a particular emphasis on its impact on women and indigenous cultures New research on the events and social grievances which led up to the independence movement are examined as well **Indian and Jesuit** James T. Moore,1982 Examines the extent to which the Jesuit missionaries to Indian tribes in 17th century French North America from the St Lawrence to the Mississippi attempted to leave native tribal culture intact while introducing Christianity Bibliotheca

missionum: Amerikanische Missionsliteratur, 1925-1944 Robert Streit, 1951 *The Hispanic American Historical Review*
James Alexander Robertson, 1957 Includes Bibliographical section **Monograph Series - United States Historical**
Society United States Catholic Historical Society, 1955 The Americas, 1958 A quarterly review of inter American cultural
history Anthropological Papers of the University of Arizona, 1977
