## **Pioneer Days In British Columbia:**

**Pioneer Days in British Columbia** Art Downs, 1979-05 Pioneer Days is a blend of words and photos that proves British Columbia's history is as interesting as that recorded anywhere else in North America. Every article is true, many written or narrated by those who 100 or more years ago lived the experiences they relate. Each volume contains 160 pages plus some 60 000 words of text and over 200 historical photos, many published for the first time. *Pioneer Days in British Columbia* Art Downs, 1973. *Alex Lord's British Columbia* Alexander Russell Lord, 1991. Alex Lord, a pioneer inspector of rural BC schools, shares in these recollections his experiences in a province barely out of the stage coach era. Travelling through vast northern territory utilizing unreliable transportation and enduring climatic extremes, Lord became familiar with the aspirations of remote communities and their faith in the humanizing effects of tiny assisted schools. En route he performed in resolute yet imaginative fashion the supervisory functions of a top government educator, developing an educational philosophy of his own based on an understanding of the provincial geography, a reverence for citizenship and a work ethic tuned to challenge and accomplishment. Although not completed, these memoirs invite the reader to experience the British Columbia that Alex Lord knew. Through his words we endure the difficulties of travel in this mountainous province. We meet many of the unusual characters who inhabited this last frontier and learn of their hopes, fears, joys, sorrows, and eccentricities. More particularly, we are reminded of the historical significance of the one room rural school and its role as an indispensable instrument of community cohesion. John Calam has organized the memoirs according to the regions through which Lord travelled. He has included in his introduction a biography of Alex Lord, a brief description of the British Columbia he knew, a sketch of its public education system, and an assessment of the place Lord's writing now occupies among other works on education and society.

This comprehensive guide is designed for the traveller who wants to experience the metropolitan neighbourhoods as well as the magnificent wilderness of British Columbia. The tour starts with Vancouver's top spots, then travels by ferry to Victoria where British colonial elegance and architectural masterpieces are the draw. Next, the countless treasures of coastal B.C. are featured through tours of Vancouver Island, the Gulf Islands, and the Sunshine Coast. The book then moves on to the seemingly endless mountains where outdoor recreation is the focus. Tourists and armchair visitors alike will not want to miss this journey through the stunning province of British Columbia. *Pioneer Days in British Columbia* Art Downs, 1991.
