Pioneers, Ploughs and Prayers Cyril Edel Leonoff, Jewish Historical Society of B.C., 1982 *Twentieth Century Land Settlement Schemes* Roy Jones, Alexandre M.A. Diniz, 2018-10-17 Land settlement schemes sponsored by national governments and businesses such as the Ford Corporation and the Hudson's Bay Company took place in locations as diverse as the Canadian Prairies the Dutch polders and the Amazonian rainforests This novel contribution evaluates a diverse range of these initiatives By 1900 any land that remained available for agricultural settlement was often far from the settlers homes and located in challenging physical environments Over the course of the twentieth century governments corporations and frequently desperate individuals sought out new places to settle across the globe from Alberta to Papua New Guinea This book offers vivid reports of the difficulties faced by many of these settlers including the experiences of East European Jewish refugees New Zealand soldier settlers and urban families from Yorkshire This book considers how and why these settlement schemes succeeded found other pathways to sustainability or succumbed to failure and even oblivion In doing so the book indicates pathways for the achievement of more economically socially and environmentally sustainable forms of human settlement in marginal areas This engaging collection will be of interest to individuals in the fields of historical geography environmental history and development studies **Social Discredit** Janine Stingel, 2000 In *Social Discredit* Janine Stingel exposes a crucial yet previously neglected part of Social Credit history the virulent anti Jewish campaign it undertook before during and after the Second World War While most Canadians acknowledged the perils of race hatred in the wake of the Holocaust Social Credit intensified its anti Semitic campaign By examining Social Credit's anti Semitic propaganda and the reaction of the Canadian Jewish Congress Stingel details their mutual antagonism and explores why Congress was unable to stop Social Credit's blatant defamation She argues that Congress's ineffective response was part of a broader problem in which passivity and a belief in quiet diplomacy undermined many of its efforts to combat intolerance Stingel shows that both Social Credit and Congress changed considerably in the post war period as Social Credit abandoned its anti Semitic trappings and Congress gradually adopted an assertive and pugnacious public relations philosophy that made it a champion of human rights in Canada *Social Discredit* offers a fresh perspective on both the Social Credit movement and the Canadian Jewish Congress substantively revising Social Credit historiography and providing a valuable addition to Canadian Jewish studies **Dictionary of Canadian Biography / Dictionnaire Biographique Du Canada** Ramsay Cook, Jean Hamelin, 1966 Internet version contains all the information in the 14 volume print and CD ROM versions fully searchable by keyword or by browsing the name index **Samuel Bronfman** Michael Robert Marrus, 1991 The irascible son of a Jewish pioneer from Czarist Russia whose business acumen built an international company renowned for the quality of its products Samuel Bronfman's father failed as a wheat farmer and then found success selling frozen fish firewood and horses At this point young Sam observed to his father The bar makes more profits than we do Instead of selling horses we should be selling the drinks

And thus began what was to become the Seagram whiskey empire Sam's insight and timing were right as Canada and especially the United States were coming under the influence of the temperance movement While legend often places Sam in the thick of Prohibition era bootlegging and rum running in fact he built for the long term and kept his operations within both the law and its loopholes as he supplied American bootleggers Sam demonstrated his marketing genius by insisting on quality in a business notorious for cutting corners and thereby set the standard for the industry in the decades to follow Sam's success in penetrating the American market was such that after Prohibition his competitors lobbied the federal government for protection While Samuel Bronfman is a classic rags to riches tale it is also the story of a Jew who remained in many ways outside business and social establishments even after becoming internationally famous Commuting every week between his Montreal and New York office his was a private life centered on his family and their home in Montreal and summer places such as Tarrytown New York In the 1950s Sam under instructions from his daughter Phyllis Lambert commissioned Mies van der Rohe to design a new corporate headquarters the Seagram building at 375 Park Avenue a landmark on the New York City skyline As a leader of the Jewish community Sam was elected president of the Canadian Jewish Congress in 1939 and went on to organize financial aid to the fledgling state of Israel beginning decades long involvement in Jewish affairs and support for the Jewish state
