*The Pirate Hunter* Richard Zacks, 2024-09-24 A gripping look at the life of the seventeenth century sea captain and the never before told story of his hunt for the ruthless pirate Robert Culliford A richly detailed nautical thriller combines exciting escapism with thought provoking history James Bamford author of *The Puzzle Palace* and *Body of Secrets* A Time Magazine Best Book of the Year Captain Kidd has gone down in history as America's most ruthless buccaneer fabulously rich burying treasure up and down the eastern seaboard But it turns out that most everyone from novelists to scholars has the story all wrong Captain Kidd was no career cutthroat he was a tough successful New York sea captain who was hired to chase pirates in the 1690s His three year odyssey aboard the aptly named *Adventure Galley* would pit him against arrogant Royal Navy commanders jealous East India Company captains storms starvation angry natives and above all flesh and blood pirates Captain Kidd himself facing a long forgotten rogue by the name of Robert Culliford who lured Kidd's crew to mutiny not once but twice Through painstaking research author Richard Zacks has pieced together the never before told story of Kidd versus Culliford of pirate hunter versus pirate as they fought each other in an unscripted duel across the oceans of the world One man would hang in the harbor the other would walk away with the treasure *The Pirate Hunter* delivers something rare an authentic pirate story for grown ups Zacks's detective work here is thoroughly convincing In addition he sets the suspenseful tale of Kidd's downfall within its larger historical context in a manner reminiscent at times of Defoe vividly illustrating the brutalities of life on a seagoing vessel and the chaos of urban society at the end of the seventeenth century *The New Yorker* Entertaining richly detailed and authoritatively narrated Zacks's account of the life of legendary seaman William Kidd delivers a first rate story The book is cogent and replete with supporting evidence without the heavy handed feel of some scholarly work What really sets the book apart is Zacks's gift as researcher and storyteller Zacks's book is a treasure indeed Publishers Weekly
