Pity The Persecutor:

Pity the Persecutor, 1938 Suffering Witness James Hatley, 2000-10-19 Conceptualizes the question of witness and responsibility following the Holocaust using continental philosophy theology and literary theory **Last Operas and Plays** Gertrude Stein, 1995-05-22 When I see a thing it is not a play for me but when I write something that somebody else can see then it is a play for me Gertrude Stein In the more than seventy five plays Gertrude Stein wrote between 1913 and 1946 she envisioned a new dramaturgy beginning with her pictorial conception of a play as a landscape She drew into her plays the daily flow of life around her including the natural world and turned cities villages parts of the dramatic structure and even her own friends into characters She made punctuation and typography part of her compositional style and chose words for their joyful impact as sound and wordplay For Strin the writing process itself was always important in developing the continuous present at the heart of her work Long out of print Last Opera and Plays again makes available many of Stein's most important and most produced works As a special feature it also included her thought provoking essay Plays in which she reflects on the experience in the theater of seeing and hearing and on emotion and time Now nearly a half century after her death writes Bonnie Marranca in her introduction it is indisputable that Gertrude Stein is the great American modernist mind No American author has been more influential for more generations of artists in the worlds of theater dance music poetry painting and fiction Poets at Play Sarah Bay-Cheng, Barbara Cole, 2010-09-30 Beginning with Stevens's Three Travelers Watch a Sunrise 1916 as a dynamic introduction to the modernist transformation of poetry into performance the collection also includes Millay's biting anti war satire Aria da Capo 1920 and H D's Hippolytus Temporizes 1927 loosely adapted from the Euripides play Both plays demonstrate the Greek poets enduring legacy in modern poetic drama **Pity the Persecutor** Julius Gordon, 1938 **Hebrew Union College Monthly**, 1938 *The Jewish Forum*, 1938 *Conquer Your Fears* E. Wayne Hart, Diane Carver, Lisa Armstrong, 1994 First published in 1994 Routledge is an imprint of Taylor Francis an informa company Addressing Levinas Eric Sean Nelson, Antje Kapust, Kent Still, 2005-08-02 At a time of great and increasing interest in the work of Emmanuel Levinas this volume draws readers into what Levinas described as philosophy itself a discourse always addressed to another Thus the philosopher himself provides the thread that runs through these essays on his writings one guided by the importance of the fact of being addressed the significance of the Saying much more than the Said The authors leading Levinas scholars and interpreters from across the globe explore the philosopher's relationship to a wide range of intellectual traditions including theology philosophy of culture Jewish thought phenomenology and the history of philosophy They also engage Levinas's contribution to ethics politics law justice psychoanalysis and epistemology among other themes In their radical singularity these essays reveal the inalienable alterity at the heart of Levinas's ethics At the same time each essay remains open to the others and to the perspectives and positions they advocate Thus the volume in its quality and diversity enacts an authentic encounter with Levinas's thought embodying an intellectual

ethics by virtue of its style Bringing together contributions from philosophy theology literary theory gender studies and political theory this book offers a deeper and more thorough encounter with Levinas s ethics than any yet written
