The Fall of the Indigo Jackal McComas Taylor, 2012-02-01 Every child growing up in India knows the story of the jackal who fell into the vat of blue dye and discovering the power of his majestic new appearance declared himself king of the forest In spite of his pretenses the jackal eventually betrayed by his own instincts was set upon by the other animals This and many

similar narratives are found in the Pa catantra the collection of Sanskrit tales for children compiled by a Jaina monk named P r abhadra in 1199 CE In this book McComas Taylor looks at the discourses that give shape and structure to the fall of the indigo jackal and the other tales within the Pa catantra The work s fictional metasociety of animals kings and laundrymen are divided according to their j ti or kind This discourse of caste holds that individuals essential natures statuses and social circles are all determined by their birth Taylor applies contemporary critical theory developed by Foucault Bourdieu Barthes and others to show how these ideas are related to other Sanskritic master texts and describes the regime of truth that provides validation for the discourse of division
