Domingo,1983 *Placido Domingo* Placido Domingo,1986 Plácido Domingo: The Greatness in Every Note Fabricio Sales Silva,2025-03-08 When I think about my life I realize that it is no different from a grand opera There are moments of exaltation passages of deep sadness challenges that require courage and joys that touch the soul Each note of this symphony is the result of choices sacrifices and unwavering love for what I do Today I want to share something I ve learned along this journey a lesson that comes not from the applause I receive but from the silent notes life plays when no one is watching Life has never spared me challenges There were moments of uncertainty fierce criticism and even battles for health But something that has always sustained me has been the idea that every difficulty is an opportunity to fine tune our own melody During my fight with colon cancer I faced a different kind of stage a stage of silence and reflection There I realized that what really matters is not the awards or the spotlight but the legacy we leave and the strength with which we face adversity And perhaps this is what I want to share with you the most life is not about perfection but about the passion we put into each act I firmly believe that true success is not measured by how much we achieve but by the impact we make on the lives of those around us It s not just about singing to a sold out audience but about touching the soul of someone who is perhaps living a hard day **Placido Domingo (music by Verdi, Leoncavallo Etc).** Placido Domingo,2000 **Placido Domingo** ,2018 Orpheus ,1988
