Ebersole and Hess' Gerontological Nursing & Healthy Aging - E-Book Theris A. Touhy, Kathleen F Jett, 2016-12-22 Discover a wellness-based holistic approach to older adult care. Ebersole Hess Gerontological Nursing and Healthy Aging 5th Edition is the only gerontological nursing text on the market that focuses on this thoughtful, organic method of care. Designed to facilitate healthy aging regardless of the situation or disease process, this text goes beyond simply tracking recommended treatments to addressing complications, alleviating discomfort, and helping older adults lead healthy lives. Featuring an updated four-color design, additional information on long-term care, evidence-based practice boxes, safety alerts, expanded tables, and careful attention to age, gender, and cultural differences, Ebersole Hess Gerontological Nursing and Healthy Aging is the most complete text on the market. Focus on health and wellness helps you gain an understanding of the patient's experience. Safety Alerts highlight safe practices and quality of care. QSEN competencies. Careful attention to age, cultural, and gender differences helps you to understand these important considerations in caring for older adults. AACN and the Hartford Institute for Geriatric Nursing core competencies integrated throughout. Evidence-Based Practice boxes summarize research findings that confirm effective practices or identify practices with unknown, ineffective, or harmful effects. Activities and discussion questions at the end of every chapter equip you with the information that you need to assess the patient. Healthy People 2020 boxes integrate information about healthy aging. Expanded tables, boxes, and forms including the latest scales and guidelines for proper health assessment make information easy to find and use. NEW New four-color design provides a higher level of detail and readability to caregiving procedures. NEW New chapter on Caregiving includes expanded coverage of abuse and neglect. NEW Expanded content about Long Term and Transitional Care added to chapter six. NEW Expanded Safety coverage spans two separate chapters. NEW Expanded Nutrition and Hydration content divided into two separate chapters.

Ebersole & Hess' Toward Healthy Aging - E-Book Theris A. Touhy, Kathleen F Jett, 2013-08-07 Grounded in the core competencies recommended by the AACN in collaboration with the Hartford Institute for Geriatric Nursing, Ebersole Hess Toward Healthy Aging 8th Edition is the most comprehensive resource on health promotion and maintenance for older adults and their caregivers. With coverage of communication, safety, and ethical considerations, new genetic research, key aging issues, and common and uncommon conditions, you will have the knowledge you need to promote healthy lifestyle choices, properly address end-of-life issues, and provide effective holistic care for older adults. Consistent chapter organization with objectives, case studies, critical thinking questions, and research questions make information easy to access and use.

A strong focus on health and wellness emphasizes a positive approach to aging. Disease processes are discussed in the context of healthy adaptation, nursing support, and responsibilities. Research highlights help incorporate the latest research findings into practice. Nutrition chapter includes the most current guidelines for older adults and addresses patients' dietary needs. Scales and guidelines for proper health assessment provide the essential information for assessing the older adult patient. Case studies with critical thinking questions offer realistic situations to expand your knowledge and understanding. Careful attention to age, cultural, and gender differences are integrated throughout and highlight important considerations when caring for older adults. Content grounded in the core competencies offers the knowledge needed to achieve the National League for Nursing ACES program's Essential Nursing Actions and meets the Recommended Baccalaureate Competencies and Curricular Guidelines for the Nursing Care of Older Adults, the Geriatric Nursing Education State of the Science Papers, and the Hartford Institute for Geriatric Nursing Best Practices in Nursing Care to Older Adults. NEW QSEN content highlights quality and safety issues students need to know when treating older patients. NEW Chapter covering the role of communication emphasizes the importance of communication in improving care. NEW Focus on genetics highlights the vast amount of new genetic research and its effects on all aspects of health and aging. NEW Information on ethical considerations explores and illustrates potential issues when dealing with older adults. NEW Healthy People 2020 information assists your students in integrating their knowledge about healthy aging considerations into care.

Nursing for Wellness in Older Adults Carol A. Miller, 2009. Now in its Fifth Edition, this text provides a comprehensive and wellness-oriented approach to the theory and practice of gerontologic nursing. Organized around the author's unique functional consequences theory of gerontologic nursing, the book explores normal age-related changes and risk factors that often interfere with optimal health and functioning to effectively identify and teach health promotion interventions. The author provides research-based background information and a variety of practical assessment and intervention strategies for use in every clinical setting. Highlights of this edition include expanded coverage of evidence-based practice, more first-person stories, new chapters, and clinical tools such as assessment tools recommended by the Hartford Institute of Geriatric Nursing.
