Pioneer Life in Dayton and Vicinity, 1796-1840 John Farris Edgar, 1896      Pioneer Life in Dayton and Vicinity, 1796-1840 John Farris Edgar, 2000      **Pioneer Life in Dayton and Vicinity, 1796-1840 (Classic Reprint)** John Farris Edgar, 2017-11-21 Excerpt from Pioneer Life in Dayton and Vicinity 1796 1840 I have endeavored to be accurate as to dates family names etc but to quote from Henry Howe whoever expects to find this volume free from defects has but little acquaintance with the difficulties ever attendant upon procuring such materials I must here close with the observation that I have passed the allotted age of human life and although in sound health cannot expect for many more years to witness its mysterious ever varying changes About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      **Pioneer Life in Dayton and Vicinity, 1796-1840** John Farris Edgar, Donald C. White, 1896      *Jahresberichte der Geschichtswissenschaft*, 1899      Jahresberichte der Geschichtswissenschaft Georg Schuster, Fritz Abraham, Johann Hermann, Edmund Meyer, 1899      *Samuel Shellabarger's Civil War, 1817-1896* William A. Kinnison, 2022-01-26 On Mud Run near the recently abandoned Shawnee Indian village of Pickewe Samuel Shellabarger was born in a log cabin on December 10 1817 It was in the middle of an endless Ohio forest a world away from civilization Indians said a bird could fly from the Ohio River to Lake Erie never having to land on the ground Mud Run was so deep into the forest that it seemed unlikely that anyone lost there could in a single lifetime win national fame and fortune There were clues in Samuel Shellabarger's early years that suggest he might surely rise above this wilderness Shellabarger's inspiration for a new America was a religious belief that God had created of one blood all the peoples of the earth and all were equal in God's sight whether he or his father wanted it to be so or not The nation he believed for its own sake should embrace equality before the law or dire consequences would result The nation's founders had declared that all men were equal but failed to achieve equality in practice His generation was called upon to correct the mistake But they let the opportunity slip from their grasp and created instead a new America he described as not fit to be Samuel Shellabarger did not become famous though he almost did He became instead a footnote in a forgotten story that the nation should have remembered And America he believed missed the only chance it might ever have to preserve democracy in the nation      The Annual American Catalogue 1886-1900, 1897      Pioneer Life in Dayton and Vicinity, 1796-1840 Edgar Farris, 2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc

We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

Colonels in Blue--Indiana, Kentucky and Tennessee Roger D. Hunt,2014-01-10 This biographical dictionary documents the Union army colonels who commanded regiments from Indiana Kentucky and Tennessee Entries are arranged first by state and then by regiment and provide a biographical sketch of each colonel focusing on his Civil War service Many of the colonels covered herein never rose above that rank failing to win promotion to brigadier general or brevet brigadier general and have therefore received very little scholarly attention prior to this work
