Pistachios Nose:

The Assassin Nuns of Pistachio Manisha Anand, 2015-07-05 When eleven year old Ann is sent to live with the famous Assassin Nuns of Pistachio she expects nothing less than a life of swashbuckling adventures and covert rescue missions. Instead she meets a group of mild mannered women who prefer souffl s to sword fighting and haven t stepped out of their mountaintop abbey in years. After Ann discovers that there s something very nasty going on in Pistachio she decides it s time the nuns lived up to their reputation. Armed with wooden spoons, gardening gloves and a malfunctioning robot broom can these unlikely heroes save the day.

The Pistachio Seller Reem Bassiouney, 2009-11-03 It was Saturday I remember. And while he was standing on a step ladder in the hall changing a light bulb in the faint light coming through the window I decided to love him. So begins this wonderfully exuberant novel of quixotic adolescent longing and the enduring search for self. Set in middle class urban Egypt, the story chronicles young Wafaa s struggle to come to terms with her own sexuality and her romantic infatuation with her cousin Ashraf, a spoiled and confident young Egyptian who was educated in England. Ashraf s worldliness and carefree attitudes stand in sharp contrast to Wafaa s provincial Islamic piety. As both mature, they find outside events encroaching upon their sheltered lives, forcing each to confront challenges to their youthful ideologies. Ashraf is chastened by an economic turnaround that takes him to the United States as an impoverished immigrant, and Wafaa begins to question her rigid fundamentalist beliefs that seem increasingly inadequate to make sense of the complex world around her. Reem Bassiouney effortlessly captures the voices of her characters, bringing them to life and allowing the reader to be fully immersed in their lives as they unfold in moving, often funny and eventually triumphant ways. The Pistachio Seller introduces Bassiouney s work to an English audience for the first time.

Magical Pistachio Macarons Donna Kunkel, 2022-11-14 Victoria, a rich shapeshifter wizard, uses her cat form to spy and gather evidence on those intent on breaking the law. Once the DA has her evidence and files charges, she exposes the criminals in a series of newspaper articles. She hates how these people continually evade the law by buying off witnesses or making the evidence disappear. Especially the vile man she s currently investigating, Dragon, a bodyguard from wizarding security, tackles Victoria out of the way of an attempted hit and run. He and her roommate confront her about the threatening notes she s been receiving. He d like to take her away to a safe house, but she has other plans. How can he protect her when she refuses to take the danger seriously? Will they manage to work together before it s too late? Even magic can t keep her safe, can he?

Granted John David Anderson, 2018-02-13 From the author of beloved novels *Ms Bixby s Last Day* and *Posted* comes a hilarious, heartfelt and unforgettable novel about a fairy in training. Everyone who wishes upon a star or a candle or a penny thrown into a fountain knows that you re not allowed to tell anyone what you ve wished for. But even so, there is someone out there who hears it. In a magical land called the Haven, lives a young fairy named Ophelia Delphinium Fidgets. Ophelia is no ordinary fairy; she is a Granter, one of the select fairies whose job it is to venture out into the world and grant the wishes of unsuspecting humans.

every day It s the work of the Granters that generates the magic that allows the fairies to do what they do and to keep the Haven hidden and safe But with worldwide magic levels at an all time low this is not as easy as it sounds On a typical day only a small fraction of the millions of potential wishes gets granted Today however is anything but typical Because today Ophelia is going to get her very first wish granting assignment And she s about to discover that figuring out how to truly give someone what they want takes much more than a handful of fairy dust "What Made Pistachio Nuts?"
