## **Pistols And Revolvers:**

Percussion Pistols and Revolvers Mike Cumpston, Johnny Bates, 2005-07 In the early transition from the long lived flintlock system handgun development closely paralleled that of the long arms With the advent of the revolving pistols however came patents that created monopolies in revolver production and the through bored cylinder necessary for self contained metallic cartridges The caplock revolvers took on a separate evolution and remained state of the art long after the widespread appearance of cartridge firing rifles and shotguns They rode in the holsters of of explorers and adventurers across the world and granted safe conduct in the back alleys of the Industrial West right up until the last quarter of the 19th Century Handguns possess a mystique distinctly different from that of other firearms They are tools of personal empowerment chosen by their owners to provide independence and freedom of movement In the ambitious optimistic early years of western industrial civilization they were the emblem of liberty and equality and the bane of repressive governments and social movements Largely because of the traditions that emerged in the time of the caplock pistols and revolvers they remain so in the early years of the 21st Century      Textbook of Pistols and Revolvers Julian S. Hatcher, 2015-01-27

Originally published in 1935 Textbook of Pistols and Revolvers is a treatise on handguns of the early twentieth century Written by Major Julian S Hatcher an expert on the subject of firearms of all sorts readers will gain invaluable insight into everything to do with handheld firearms of the 1930s In his introduction Hatcher emphasizes that he has made an earnest effort to make this book accessible for both novices and experts Novices who know nothing whatsoever about firearms and their use can easily learn from this book while experts will find a technical reference book where the results of many experiments with pistols and revolvers and their ammunition are tabulated in convenient form Covering such subjects as the different methods of shooting and using hand firearms their mechanism care and repair their interior and exterior ballistics the peculiar suitability of the different kinds for various purposes the relative effectiveness or stopping power of the various calibers and types of gun and ammunition and many more this book is an immense store of knowledge on early handguns Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts We publish books about shotguns rifles handguns target shooting gun collecting self defense archery ammunition knives gunsmithing gun repair and wilderness survival We publish books on deer hunting big game hunting small game hunting wing shooting turkey hunting deer stands duck blinds bowhunting wing shooting hunting dogs and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home      **English Pistols and Revolvers** John Nigel George, 1938      *Pistols and Revolvers and Their Use* Julian Sommerville Hatcher, 1927      **The Modern American Pistol and Revolver** Arthur Corbin Gould, 2014-03-16 Hardcover reprint of the original 1888 edition beautifully bound in brown cloth covers featuring titles stamped in gold 8vo 6x9 No adjustments have been made to the

they were accurate those manipulating them skillfully were specially gifted The publication of the first edition showed the great accuracy and reliability of certain arms and made it apparent that to become skillful in manipulating them was only a matter of practice This stimulated many devotees of shooting to attempt to acquire a proficiency As a result at the time of writing there are expert pistol and revolver shots in various sections of the country and as the shooting world has no national confines this statement may be applied to many parts of the world The expert amateur pistol and revolver shots of to day are in many instances doing work superior to that of professionals a few years ago About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Pistols and Revolvers United States.
