Plague Pestilence And The Pursuit Of Power:

Plague, Pestilence, and the Pursuit of Power Steve Ransom, 2002 **Toxic Bite** Bill Kellner-Read, 2002 *The Death of British Agriculture* Richard North, 2001 British agriculture has been brought to its knees by the onslaught of successive crises *Postliberal Politics* Adrian Pabst, 2021-06-16 Hyper capitalism and extreme identity politics are driving us to distraction Both destroy the basis of a common life shared across ages and classes The COVID 19 crisis could accelerate these tendencies further or it could herald something more hopeful a post liberal moment Adrian Pabst argues that now is the time for an alternative postliberalism that is centred around trust dignity and human relationships Instead of reverting to the destabilising inhumanity of just in time free market globalisation we could build a politics upon the sense of localism and community spirit the valuing of family place and belonging which was a real theme of lockdown We are not obliged to put up with the restoration of a broken status quo that erodes trust undermines institutions and trashes our precious natural environment We could build a pluralist democracy decentralise the state and promote embedded mutualist markets This bold book shows that only a politics which fuses economic justice with social solidarity and ecological balance can overcome our deep divisions and save us from authoritarian backlash The Routledge Drama Anthology and Sourcebook Maggie B. Gale, John F. Deeney, 2012-08-06 A groundbreaking compilation of the key movements in the history of modern theatre Each of the book's parts comprises full reproductions of the plays that defined the period and key critical writings that inform and contextualise their reading Here is an anthology of plays and criticism that all teachers of drama should take seriously The fresh angles and approaches the volume offers on topics such as naturalism the historical avant garde and breakthrough works by innovative performance artists e.g. Laurie Anderson SuAndi all argue in favor of this collection as required reading in courses on modern stagecraft CHOICE Feb 2011 *Notes, Explanatory and Practical, to the Authorized Version of the Holy Bible ...
