# Plain Talk On Thessalonians

**James Hastings**

## Plain Talk On Thessalonians:

*Plain Talk on Thessalonians* Manford George Gutzke, 1980-01-01      **Plain Talk on Hebrews** Manford George Gutzke, 1976      *Plain Talk about the Romanism of Today* Hugh Montgomery, 1894      *Our Mother Church, Being Simple Talk on High Topics* Anne Mercier, 1875      **The Epistles of Paul, the Apostle, to the Thessalonians, Corinthians, Galatians, Romans, and Philippians** James Drummond, 1899      Plain Talk, 1929      **Church History in Plain Language** Bruce Shelley, 2013-12-10 Church History in Plain Language makes church history clear memorable and accessible to every reader Dr Bruce Shelley makes church history come alive in this classic book that has become not only the first choice of many laypeople and church leaders but the standard text in many college classrooms Church History in Plain Language treats history as the story of people their motivations the issues they grapple with the decisions they make and the result is that history reads like a story almost as dramatic and moving as a novel This fourth edition revised by R L Hatchett brings the story of Christianity into the twenty first century with detailed information on Theology of the early church and Reformation Gnosticism and its ongoing relevance The rapid global extension and transformation of Christianity since 1900 The decline in traditional mainline denominations The influence of technology on the spread of the gospel How Christianity intersects with other religions in countries all over the world Church History in Plain Language makes history easy to follow and retain by dividing the Christian story into the great ages of the church Its clarity organization and historical accuracy are part of what make this book a go to resource for today s readers      **The Apocalyptic histories: in plain language and chronologically arranged, by the author of 'Life in Christ'**. Edward White, 1879      *Plain Talk on John* Manford George Gutzke, 1968      *The Biblical Illustrator - Vol. 62 - Pastoral Commentary on 2 Peter* Charles Spurgeon, Alexander Maclaren, Thomas Manton, This edition contains original Greek notes and is properly formatted for all ereading devices apps What if Charles Spurgeon helped you prepare next Sunday s sermon Or what if you could talk over your preaching with Joseph Parker Richard Baxter Henry Ward Beecher and H P Liddon Do you think it would make a difference to get the input of some of the greatest preachers who ever lived That s precisely what Joseph Exell had in mind when he put together the massive series of volumes called The Biblical Illustrator In what can only be called a Herculean feat he spent years gathering preaching notes and sermon outlines from the very best preachers of his day in the late 1800s and early 1900s and he did it covering every book of the Bible And it is amazingly comprehensive Exell approached his task by taking every verse in the Bible and seeking to discover how it has been preached in the past Though there is plenty of exegetical material here this is not primarily a commentary This series is for preachers teachers Bible students and anyone else looking for penetrating pastoral insights some of the all time greats of the faith      *The Great Texts of the Bible: Thessalonians to Hebrews* James Hastings, 1914      *Exposing the Fallacies of the Pre-Tribulation Rapture* Billy Broadwater, 2014-06-19 The Pretribulation Rapture theory has had a foothold on many Christians in America for over a

hundred years This teaching is not allowed to be challenged in many Christian circles Exposing the Fallacies of the Pretribulation Rapture takes the building blocks of this theory and dismantles them one by one in a serious thought provoking analogy of this doctrine Is the seven year tribulation really a biblical term Is the church literally raptured in Revelation chapter 4 Are there signs that precede the return of Christ Is the rapture really an invisible event Are Christians exempt from tribulation Where did the true roots of the pretribulation rapture come from What does the day of the Lord have to do with the rapture These questions and many more are answered in Exposing the Fallacies of the Pre Tribulation Rapture Not only is there a thorough examination of the rapture but also a detailed account is given of the numerous discrepancies among leading pretribulation teachers over Bible passages on the second coming Billy Broadwater s in depth Bible based research for over twenty years brings home the truth about the rapture

**God's Endgame for Planet Earth** Derek Mailhiot,101-01-01 The Second Coming of Jesus Christ will be the most spectacular event in human history In God s Endgame for Planet Earth the events which precede accompany and come after the Second Coming are thoroughly examined in easy to understand plain language Learn what the Bible actually says about the end time events Who are the Antichrist the False Prophet and the Kings from the East Who are the Two Witnesses and the 144 000 What happens during the Great Tribulation When does the Rapture happen In the aftermath of the Battle of Armageddon Jesus returns as the Warrior Messiah to rule the nations for 1 000 years Jesus finds a world which has been devastated by war famine and disease in utter economic and environmental chaos He literally returns to save mankind from extinction and will rule by force to end war injustice and poverty But the nations ultimately reject Christ s rule and wage war against Him in the infamous Battle of Gog and Magog So is the Millennium really a time of peace and prosperity predicted by so many What really happens during the Millennium What is the purpose of the Millennium And do God s people really spend eternity in Heaven or do they spend eternity on earth in New Jerusalem as the book of Revelation predicts

**Religious Books and Serials in Print** ,1982

*THE WISE WACKY WONDERFUL WORD OF GOD* Derek Mailhiot,101-01-01 Delve deep into the Bible and explore it in a fresh new way The Wise Wacky Wonderful Word of God provides meaningful and relevant answers for all those who cherish the Bible but are troubled by the ethical dilemmas errors and inconsistencies in Scripture Derek also provides clarity and understanding if you are confused by the plethora of conflicting Christian doctrines about heaven hell fate and the end times Why does a God who is good allow evil pain and suffering Did God create Satan and demons Which is true free will or predestination Does everyone have a guardian angel Is Jesus really God According to God s Word what is the meaning of life Can a Christian today who believes that the Bible is God s inspired Word and His special revelation to us also hold a modern scientific worldview without being labelled a heretic Can a Christian believe the Big Bang is the way in which God created the universe and also believe it happened billions of years ago Can a Christian believe Evolutionary Creationism a doctrine that asserts the way in which God created life was by an evolutionary process Do the Rapture Armageddon and Apocalypse

really happen Is the Antichrist a real person What is the purpose of the Millennium when Christ returns to earth and rules all the nations from Jerusalem for 1 000 years Why does the Bible say God s people live in New Jerusalem on earth after the Millennium for eternity don t believers live in heaven If hell is a literal place then why is it called the Second Death eternal death twice in the Bible And what do God s people do during eternity anyway To get to the heart of the Bible s meaning one must determine the plain meaning of the text the meaning which the original author intended When reading the Bible one must be very careful not to take verses out of context and apply them to one s own predetermined set of beliefs We simply cannot make the Bible mean anything that pleases us and then give the Holy Spirit the credit for it So get ready to take a comprehensive and fascinating journey through Scripture     Paperbound Books in Print ,1984     History of the New Testament in Plain Language Clayton K. Harrop,1984     The Cumulative Book Index ,1980 A world list of books in the English language     The Publishers' Trade List Annual ,1985     **The Nature of God in Plain Language** David L. Hocking,1984
