Plan Your Home With Feng Shui Vastu:

Unveiling Sustainable Architecture Design and planning Dr. G. Yogapriya, R. Shalini Kumari, Dr. Sharmila Jagadisan, 2024-03-07 Unveiling Sustainable Architecture Design and planning takes readers on a transforming journey to the forefront of green building Each chapter reveals a fresh dimension of sustainable architecture from Ken Yeang's visionary bioclimatic structures that transform urban living to the vertical wonders of green walls Explore India's unique tapestry of sustainable architecture Agriculture's agrarian integration and the ecological impact of green roofs Following chapters bring biomimicry, new materials and energy efficient landscapes to life providing architects with a road map for designing in harmony with nature The voyage concludes in a literature study on the growth of global and Indian green building grading systems as the narrative expands to sustainable cities green materials and urban transportation This is the handbook that encourages architects urban planners and enthusiasts to reinvent our urban landscapes for a future in which sustainability and innovation coexist effortlessly

The Art of Classic Planning Nir Haim Buras, 2020-01-28 An accomplished architect and urbanist goes back to the roots of what makes cities attractive and livable demonstrating how we can restore function and beauty to our urban spaces for the long term Nearly everything we treasure in the world's most beautiful cities was built over a century ago Cities like Prague Paris and Lisbon draw millions of visitors from around the world because of their exquisite architecture walkable neighborhoods and human scale Yet a great deal of the knowledge and practice behind successful city planning has been abandoned over the last hundred years not because of traffic population growth or other practical hurdles but because of ill considered theories emerging from Modernism and reactions to it The errors of urban design over the last century are too great not to question The solutions being offered today sustainability walkability smart and green technologies hint at what has been lost and what may be regained but they remain piecemeal and superficial In *The Art of Classic Planning* architect and planner Nir Haim Buras documents and extends the time tested and holistic practices that held sway before the reign of Modernism With hundreds of full color illustrations and photographs that will captivate architects planners administrators and developers *The Art of Classic Planning* restores and revitalizes the foundations of urban planning Inspired by venerable cities like Kyoto Vienna and Venice and by the great successes of Le Corbusier's *La Ville Radieuse* Washington Haussmann's Paris and Burnham's Chicago Buras combines theory and a host of examples to arrive at clear guidelines for best practices in classic planning for today's world *The Art of Classic Planning* celebrates the enduring principles of urban design and invites us to return to building beautiful cities

The Yoga of Cleaning Jennifer Carter Avgerinos, 2014-02-27 What is *The Yoga of Cleaning* These are two activities that don't usually go together Or do they Yoga means union or yoking of the mind body and spirit When these three aspects of us are brought to the task of cleaning which is the art of purification a greater expansion of well being is created When cleaning is combined with the technologies of yoga and its sister philosophies ayurveda meditation and vastu the result is the cultivation of sacred space within our homes

and within our lives You do not need to practice yoga to read this book and you need not be a germ a phoebe either This essential guide will show you how to spiritualize your cleaning routine take back your life and recreate your home as sacred space Praise for The Yoga of Cleaning In the yoga world a popular meme is to take the practice off the mat and bring it into daily life The Yoga of Cleaning does just that in full force and with playful intention This very fascinating book poses the surprising interplay between yogic principles yogic philosophy and the processes of cleaning The Yoga of Cleaning is not just an esoteric overview that attempts to stimulate a deeper awareness and sense of spirituality to cleaning Nor is it simply a how to cleaning manual Instead Jennifer has produced a work that merges the two in an engaging fashion introducing the reader to methods that inspire otherwise mundane household and personal chores to something of a higher purpose She reminds us that all actions have meaning and impact on our lives She supports the process with holistic efficient and streamlined strategies for care of the self and its surroundings Steven Weiss MS DC RYT author of The Injury Free Yoga Practice

The Vastu Vidya Handbook Juliet Pegrum,2000 The Vastu Vidya Handbook is an indispensable primer on a practice that is thought by many to predate Feng Shui Rooted in Vedic philosophy Vastu Vidya literally means

The Energy Plan Aliza Baron Cohen,2002 Building on the basics of sleep nutrition and exercise Bliss Spa founder Aliza Baron Cohen explores every aspect of lifestyle to help beat personal energy deficits Building blocks are presented throughout small changes that can make long term differences to energy levels 200 color photos line drawings

Yoga Journal ,2001-05 For more than 30 years Yoga Journal has been helping readers achieve the balance and well being they seek in their everyday lives With every issue Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds We are dedicated to providing in depth thoughtful editorial on topics such as yoga food nutrition fitness wellness travel and fashion and beauty

Dwell ,2001-04 At Dwell we re staging a minor revolution We think that it s possible to live in a house or apartment by a bold modern architect to own furniture and products that are exceptionally well designed and still be a regular human being We think that good design is an integral part of real life And that real life has been conspicuous by its absence in most design and architecture magazines

Cincinnati Magazine ,2001-03 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region

The Vastu Home Juliet Pegrum,2002 Based on the ancient principles of vastu vidya the Indian art of placement The Vastu Home shows how to create a beautiful home while bringing a deeper sense of contentment prosperity and well being to ones life Readers learn how to enliven dinner table conversation create a relaxing atmosphere for soaking in the bath and arouse passion in the bedroom by positioning furniture using color and light and incorporating plants paintings mirrors and other decorative elements With recommendations for every budget and illustrated with 80 photos as well as historical Indian images and art The Vastu Home includes suggestions for both simple adjustments and complete redesigns to home garden and patio Assuming no prior knowledge of vastu vidya the book traces its principles and

development from ancient India to the present day **An Introduction to Vastu** Jonathan Dee,2002 *Vastu Shastra*
