Women in the Workforce Laura M. Argys, Susan L. Averett, 2022 An accessible overview of the power of women in the economy and the obstacles they face Women are joining the workforce in increasing numbers making inroads as entrepreneurs and leaders acquiring more education marrying later and having fewer children all trends consistent with spending a far greater fraction of their adult lives in the labor force And yet even as women break the glass ceiling and challenge gender and sexual norms they are told they need to lean in and powerful movements like TimesUP and MeToo are still necessary to expose and overcome endemic discrimination exploitation harassment and worse Women in the Workforce What Everyone Needs to Know R provides an essential and accessible introduction to the significance of women in the economy and the obstacles they face in claiming equal status Economists Laura M Argys and Susan L Averett tackle timely topics like the wage gap women s work and gendered workplace interactions in an easy to read question and answer format The book focuses on the choices people make and how these are framed by institutional impediments that create inequalities in the options available to men and women Argys and Averett highlight how the experience of being a woman in the labor market varies sometimes dramatically by race ethnicity sexual orientation and socioeconomic status They also explore how living in cities towns and rural areas influence choices and outcomes Covering a range of topics from breastfeeding and work earnings penalties for women who have taken time away from work and childcare while women work to the gender pay gap and the distinctive challenges women face as they age and transition to retirement this book answers the essential questions surrounding women in the workforce
