## College Tuition Tips

1.

**Apply for financial aid no matter what your circumstances.** Some merit-based aid can only be awarded if the applicant has submitted financial aid application forms.

3.

**Look for scholarships locally.** Find out if your employer offers scholarships or tuition assistance plans for employees or family members. Also look into scholarships from your church, community groups, and high school.

2.

**Take your time and don't rule out any school as too expensive.** A generous aid award from a pricey private school can make it less costly than a public school with a lower sticker price.

4.

**Never put tuition on a credit card.** The debt is more expensive than ever given recent changes to interest rates and other fees some card issuers are now charging.
