**Subscribed** Tien Tzuo, Gabe Weisert, 2025-11-18 A USA Today bestseller Companies like Netflix Spotify and Salesforce are just the tip of the iceberg for the subscription model The real transformation and the real opportunity is just beginning Subscription companies are growing nine times faster than the S P 500 Why Because unlike product companies subscription companies know their customers A happy subscriber base is the ultimate economic moat Today s consumers prefer the advantages of access over the hassles of maintenance from transportation Uber Surf Air to clothing Stitch Fix Eleven James to razor blades and makeup Dollar Shave Club Birchbox Companies are similarly demanding easier long term solutions trading their server rooms for cloud storage solutions like Box Simply put the world is shifting from products to services But how do you turn customers into subscribers As the CEO of the world s largest subscription management platform Tien Tzuo has helped hundreds of companies transition from relying on individual sales to building customer centric recurring revenue businesses His core message in Subscribed is simple Ready or not excited or terrified you need to adapt to the Subscription Economy or risk being left behind Tzuo shows how to use subscriptions to build lucrative ongoing one on one relationships with your customers This may require reinventing substantial parts of your company from your accounting practices to your entire IT architecture but the payoff can be enormous Just look at the case studies Adobe transitions from selling enterprise software licenses to offering cloud based solutions for a flat monthly fee and quadruples its valuation Fender evolves from selling guitars one at a time to creating lifelong musicians by teaching beginners to play and keeping them inspired for life Caterpillar uses subscriptions to help solve problems it s not about how many tractors you can rent but how much dirt you need to move In Subscribed you ll learn how these companies made the shift and how you can transform your own product into a valuable service with a practical step by step framework Find out how how you can prepare and prosper now rather than trying to catch up later

**The Contribution of the Postal and Delivery Sector** Pier Luigi Parcu, Timothy Brennan, Victor Glass, 2018-03-08 This book addresses major issues facing postal and delivery services throughout the world Worldwide there is currently a considerable amount of interest in postal and delivery economics The industry is in a state of near crisis and drastic change is needed The European Commission and member States are still wrestling with the problem of how to implement entry liberalization into postal markets how to address digital competition and how to maintain the universal service obligation USO The Postal Accountability and Enhancement Act of 2006 in the U S has perhaps created and exacerbated the problems faced by USPS Post Offices POs have been slow to address the threat of electronic competition On the other hand e commerce presents opportunities for POs to expand their presence in parcel delivery and perhaps help finance or redefine the USO A major aim of this book is to address strategies POs can use to reinvent themselves for the digital age This book compiles original essays by prominent researchers in the field which will be selected and edited from papers presented at the 25th Conference on Postal and Delivery Economics held in Barcelona Spain May 24 27 2017 That

conference and this volume commemorates the memory of Michael Crew who organized twenty four prior conferences and co edited previous conference volumes This book is a useful tool not only for graduate students and professors but also for postal administrations consulting firms and Federal Government departments

**PRACTICAL MONEY ADVICE FOR YOUNG MEN 2.0** Malik McCotter-Jordan,2021-12-25 I m not suggesting that you fire your boss i e quit your job In fact I advise you to keep your job in this book I have a job That s called having more than one stream of income and I talk about that in this book This is definitely not a BS Tony Robbins personal finance book with over 680 pages about compound interest him shamelessly promoting financial firms that he has an ownership stake in and saving 10% to 20% of your income This is a raw and real book written by a guy who is only a few steps ahead of you That s it I m not a guru This is not a scam I put my heart and soul into making this I wrote this book as if it was for the 18 year old me Anyone who leaves a review saying that this book lacks realistic actionable advice is just plain wrong I even did what most of these personal finance authors don t have the guts to do I talk about my personal life and the mistakes I made that cost me thousands of dollars That s why this genre is called personal finance right I get really personal Some might say it s too personal If you re a young man who is tired of being broke living paycheck to paycheck not owning any assets being clueless about taxes and not being able to get ahead in the United States then this is the book for you I started off as a poor black boy in a small town in Alabama on section 8 I currently have a 6 figure net worth If I can do it you can too Buy this book today

**Platform Strategies** Paul Belleflamme,Nicolas Neysen,2023-04-10 Over the past decade platforms have spread through many industries and generated an increasing share of the global economy Many of the world s most valuable companies have adopted a platform based business model and today we find that platforms pervade our everyday lives So far however the existing management literature has failed to provide professionals and students with appropriate tools to understand the business models that make those platforms successful This book offers rigorous analysis of the complexity of platforms as well as practical strategic guidance and tools to help you deal with this complexity Written in an accessible style and based on a comprehensive approach Platform Strategies is self contained and does not require the reader to have specific prior knowledge The book is both academically rigorous and a pragmatic and efficient guide incorporating path breaking insights from academic research on platforms with real world applications of concepts and tools The book engages with case studies and highlights important take aways that can be implemented in practice You ll learn how to use new tools of strategic management and how to adapt well established ones This book is an invaluable resource for entrepreneurs experienced or aspiring managers of existing platforms and businesses professionals and students in business management and economics
