Davidson**

## **Plotinus Or The Simplicity Of Vision:**

Plotinus Or the Simplicity of Vision Pierre Hadot, 1998-04-28 Since its original publication in France in 1963 Pierre Hadot's lively philosophical portrait of Plotinus remains the preeminent introduction to the man and his thought Michael Chase's lucid translation complete with a useful chronology and analytical bibliography at last makes this book available to the English speaking world Hadot carefully examines Plotinus's views on the self existence love virtue gentleness and solitude He shows that Plotinus like other philosophers of his day believed that Plato and Aristotle had already articulated the essential truths for him the purpose of practicing philosophy was not to profess new truths but to engage in spiritual exercises so as to live philosophically Seen in this light Plotinus's counsel against fixation on the body and all earthly matters stemmed not from disgust or fear but rather from his awareness of the negative effect that bodily preoccupation and material concern could have on spiritual exercises

**Return to the One** Brian Hines, 2004 In the Enneads 3rd century mystic philosopher Plotinus synthesized a thousand years of accumulated Greek wisdom with his own profound mystical experiences What is the nature of God Of spirit Of soul In what fashion can God be realized How can the validity of spiritual experiences be tested Return to the One presents Plotinus's compelling answers to such ageless questions in a refreshing modern style Whatever your spiritual beliefs you will find yourself challenged and stimulated by Plotinus's matchless blend of rationality and mysticism

**Practices of Surprise in American Literature after Emerson** Kate Stanley, 2018-07-19 This book establishes surprise as a key Emersonian affect and demonstrates its significance for transatlantic modernism and the philosophy of pragmatism

**The Journal of Neoplatonic Studies**, 1998 **Bibliographie zur Symbolik, Ikonographie und Mythologie**, 1994

Internationales Referateorgan Frauen und Geschlechter: Bilder, Rollen, Realitäten in den Texten antiker Autoren der römischen Kaiserzeit Christoph Ulf, Robert Rollinger, 2006 This volume is an outcome of the FWF project P14853

Ethnographie Gender Perspektive Antikerezeption The research project intended to connect ancient ethnography gender studies and the running methodological debate For this purpose the collaborators to the project organised two workshops The volume contains the revised papers held at the first workshop Frauenbild und Geschlechterrollen bei antiken Autoren der römischen Kaiserzeit at the University of Innsbruck 5 8 3 2003 According to the goal of this workshop the papers connect the theoretical debates of postmodernism und feminism with the daily work of historians or philologists Each paper touches in some way or other the premise underlying the mentioned project that an author's profile can be uncovered by comparing his text with other texts synchronically and diachronically Most of the papers deal with the Roman imperial period As a whole they cover the time span from the 5th century BCE to the 6th century CE But they are not arranged chronologically but systematically First comes a methodological introduction C Ulf and K Schnegg connected with a description of the papers The first section then contains five articles pointing at the basis and kind of text and its lecture Grundlagen und Formen der Texte und der Textlektüre The authors deal with Augustine archaeological remains and modern movies as well Seven articles

focusing on the topic historical realities within texts Historische Realit t en im Text build up the second section They deal with the attic democray Augustean propaganda and authors from Cornelius Nepus to Synesios of Cyrene In the last section text levels and pictures of sexes Textebenen und Bilder der Geschlechter the reader finds articles concerning some aspects of ancient ethnography and the gender perspective of authors from Tacitus to Ennodius The volume offers in a broad chronological spectrum varied perspectives on and ways of dealing with texts by separating consciously the search for historical realities form the interpretation of texts

World Philosophers and Their Works John K. Roth,Rowena Wildin,2000 Contains entries that provide information about some of history s greatest philosophers and philosophical works arranged alphabetically from Abe to Friere

**The Journal of Hellenic Studies** ,1995 Vols 1 8 1880 87 plates published separately and numbered I LXXXIII

*The History of Western Philosophy of Religion: Ancient philosophy of religion* Graham Oppy,Nick Trakakis,2009

Purity of Heart in Early Ascetic and Monastic Literature Harriet Luckman,Linda Kulzer,1999 These essays honor the memory of Juana Raasch O S B 1927 1974 one of the first Benedictine women in America to consider the subject of early monasticism by returning to the texts and sources of the early ascetical movements A student of classical languages as well as monasticism she researched in particular the subject of purity of heart in early Christian texts Her work is a valuable resource for those interested in monastic movements or in patristic studies

*A Comparative History of World Philosophy* Ben-Ami Scharfstein,1998-02-27 A Comparative History of World Philosophy presents a personal yet balanced guide through what the author argues to be the three great philosophical traditions Chinese European and Indian The book breaks through the cultural barriers between these traditions proving that despite their considerable differences fundamental resemblances exist in their abstract principles Ben Ami Scharfstein argues that Western students of philosophy will profit considerably if they study Indian and Chinese philosophy from the very beginning along with their own Written with clarity and infused with an engaging narrative voice this book is organized thematically presenting in virtually every chapter characteristic views from each tradition that represent similar positions in the core areas of metaphysics and epistemology At the same time Scharfstein develops each tradition historically as the chapters unfold He presents a great variety of philosophical positions fairly avoiding the relativism and ethnocentrism that could easily plague a comparative presentation of Western and non Western philosophies

*A Treasury of Mystic Terms, Part 1* John Davidson,2003 The Treasury is a collection of the spiritual terms found in the literature of the world s religious and mystical traditions Its primary objective is to elucidate the meaning of the essential terms used by the various spiritual and religious traditions of the world throughout history It is not primarily intended as a dictionary or as an encyclopedia nor is it a definitive treatise on any particular subject or religion It is meant to help the ordinary person understand some of the basic principles of his or her religious background within the framework of a universal understanding of spirituality All terms are explained in a simple manner with each term presented as a separate entry With the explanations grouped according to subject and placed alongside one another many similarities between the

various religions immediately become apparent Among these many pages the reader will find a mixture of interesting concepts quotations thoughts perceptions and ideas There should be something for everyone whoever they are and whatever their bent of mind The Treasury is prepared and edited by an international team of researchers contributors editors and readers with a wide variety of religious and cultural backgrounds All those involved gave their time and expertise freely to the project Since the Society does not seek any profit and the cost of printing in India is low the Treasury can be sold at a very low price This helps the Society stay true to its premise that spirituality is the birthright of all that no profit should be extracted from its dissemination and most important that knowledge of these truths should not be withheld from anyone for economic reasons Provided by publisher

**Enzyklopädie Philosophie und Wissenschaftstheorie** Siegfried Blasche,Jürgen Mittelstrass,Gereon Wolters,1980

**A Treasury of Mystic Terms: The universe of spirituality with biographic and bibliographic glossary, bibliography and index** John Davidson,2003

**Same-Sex in Scripture** Robert Geis,2009 Scripture condemns various forms of sexual behavior but not all Same Sex in Scripture identifies in Mt 19 12 an acknowledgement by Christ of the person born without an impulse towards the opposite sex and reasons that inasmuch as all creation is good 1 Gen 31 1Tim 4 4 this individual in partnership with someone of the same sex in following Christ s commands of love has moral status in the Kingdom of Heaven Geis argues the insufficiency of Nature as a criterion for sexual behavior given the many exceptions from which the criterion when applied to human sexuality suffers Only Christ s unexceptioned commandment of love has the binding force salvific law requires Same sex behavior can comport with this law just as heterosexual behavior as is clear from the role Mt 5 28 gives the heart in sexuality It is a position that achieves the middle between the extremes of this contentious debate

*The Present Alone is Our Happiness* Pierre Hadot,Jeannie Carlier,Arnold Ira Davidson,2009 In this book of brilliantly erudite and precise discussions which also serves as an introduction to Pierre Hadot s more scholarly works Hadot explains that for the Ancients philosophy was not reducible to the building of a theoretical system it was above all a choice about how to live one s life

*The Best Books for Academic Libraries: Religion and philosophy* ,2002

*The Review of Metaphysics* ,1995
