Real Vampires:

Real Vampires, Night Stalkers and Creatures from the Darkside Brad Steiger, 2009-09-01 Not only do vampires exist but they walk among us Paranormal researcher extraordinaire and author of hundreds of books on the mysterious and unknown Brad Steiger reveals that real vampires are not immortal do not have fangs or sleep in coffins and have no fear of sunlight or crucifixes A chilling chronicle of the often ignored history of vampirism **Real Vampires Night Stalkers and Creatures from the Darkside** is a shocking account of occultist rituals and the inhuman forces that influence these immortal beasts From spine tingling classic tales Vlad the Impaler the Countess of Blood to stories of famous mass murderers and their shocking cannibalistic and vampire like behavior Jack the Ripper the Zodiac Killer Jeffrey Dahmer to hair raising testimony from ordinary people who ve encountered vampires and finally to interviews with modern vampires themselves this frightening collection covers them all Not for the faint of heart you ll encounter 163 terrifying tales of the hideous wraiths and creatures that lurk in shadow including the Mexican prostitute who mesmerized an entire village convincing them she was an Incan goddess who required human sacrifice for her magic the three teenagers who left a trail across the South as they conducted blood drinking rituals with animals the mysterious Lady in Black who draws psychic energy from men who dare approach her as she wanders through city streets and parks the young bride to be possessed by an evil spirit pretending to be her recently deceased uncle the college student who thought that he had gotten lucky when he was invited to a party by a gorgeous woman until he found out that the other partygoers seemed to want blood in return for their beer Shining a light on the horrifying truth **Real Vampires Night Stalkers and Creatures from the Darkside** dispels many myths but also confirms the truth behind several traits of real vampires You ll encounter loathsome slashers rippers and murderers who do not promise immortality with their bite only a painful death The numerous photos and illustrations bring the text to life **Real Vampires Know Size Matters** Gerry Bartlett, 2013-12-03 In the latest novel from national bestselling author Gerry Bartlett curvaceous vampire Glory St Clair has to figure how to compete with the wiles of a witchy woman Just when Glory has her life semi on track a woman from her longtime lover Jeremiah Campbell s past steamrolls into town on a mission to win him back Normally Glory wouldn t feel threatened by a mortal with amorous intentions but Jerry s ex just happens to be a beautiful voodoo priestess with evil spirits at her beck and call and a serious lack of conscience when it comes to getting what she wants And then there s Glory s family After a lifetime of being MIA Glory s mom wants to go on a mother daughter bonding trip to Olympus home of the gods And though Glory doesn t trust her her mother is offering to help with her pesky voodoo woman problem But with no guarantee of a return trip can Glory dare leave Jerry alone while she visits a place where her less than perfect figure won t be appreciated and time has no meaning But size and the bonds of time are the least of her worries when love is on the line **Vampires Today** Joseph P. Laycock, 2009-05-14 This book about real vampires and the communities they have formed explores the modern world of vampirism in all its amazing variety Long before Dracula people

were fascinated by vampires The interest has continued in more recent times with Anne Rice's Lestat novels Buffy the Vampire Slayer the HBO series True Blood and the immensely popular Twilight But vampires are not just the stuff of folklore and fiction Based upon extensive interviews with members of the Atlanta Vampire Alliance and others within vampire communities throughout the United States this fascinating book looks at the details of real vampire life and the many expressions of vampirism as it now exists In *Vampires Today The Truth about Modern Vampirism* Joseph Laycock argues that today's vampires are best understood as an identity group and that vampirism has caused a profound change in how individuals choose to define themselves As vampires come out of the coffin as followers of a religion or lifestyle or as people biologically distinct from other humans their confrontation with mainstream society will raise questions as it does here about how we define normal and what it means to be human
