Real Victorians:

Possessed Victorians Sarah A. Willburn, 2006 Drawing upon extensive archival work in the British Library Sarah Willburn analyzes science accounts novels about mediumship and metaphysical treatises to formulate a new conception of individualism that offers a fresh look at Victorian subjectivity She presents the theories of compelling characters such as Newton Crosland and Lois Waisbrooker and provides exciting new readings of well known texts by Charlotte Brontë Eliot Martineau and Corelli

The Real World of Victorian Steampunk Simon Webb, 2019-02-28 A look at the surprising nineteenth century technology that inspires this literary and cultural movement I was very impressed by this book SF Crowsnest In recent decades steampunk has grown from a rather obscure subgenre of science fiction into a striking and distinctive style of fashion art design and even music It is in the written word however that steampunk has its roots and in this book Simon Webb explores and examines the real inventions that underpin the fantasy In doing so he reveals a world unknown to most people today Webb reveals the Victorian era as a surprising place one of steam powered airplanes fax machines linking Moscow and St Petersburg steam cars traveling at over 100 mph electric taxis and wireless telephones It is in short the nineteenth century as you've never before seen it a steampunk extravaganza of anachronistic technology and unfamiliar gadgets Imagine Europe spanned by a mechanical internet a telecommunication system of clattering semaphore towers capable of transmitting information across the continent in a matter of minutes Consider too the fact that a steam plane the size of a modern airliner took off in England in 1894 Drawing entirely on contemporary sources we see how little known developments in technology have been used as the basis for so many steampunk narratives From seminal novels such as *The Difference Engine* to the steampunk fantasy of Terry Pratchett's later works this book shows that steampunk is at least as much solid fact as it is whimsical fiction

Victorians on Screen Iris Kleinecke-Bates, 2014-12-09 *Victorians on Screen* investigates the representation of the Victorian age on British television from the mid 1990s to the mid 2000s Structured around key areas of enquiry specific to British television it avoids a narrow focus on genre by instead taking a thematic approach and exploring notions of authenticity realism and identity

Epistolary Encounters in Neo-Victorian Fiction K. Brindle, 2014-01-24 Neo-Victorian writers invoke conflicting viewpoints in diaries letters etc to creatively retrace the past in fragmentary and contradictory ways This book explores the complex desires involved in epistolary discoveries of hidden Victorians offering new insight into the creative synthesising of critical thought within the neo Victorian novel

The Worlds of Victorian Fiction Jerome Hamilton Buckley, 1975 *Key Concepts in Victorian Literature* Sean Purchase, 2006-03-27 *Key Concepts in Victorian Literature* is a lively clear and accessible resource for anyone interested in Victorian literature It contains major facts ideas and contemporary literary theories is packed with close and detailed readings and offers an overview of the historical and cultural context in which this literature was produced

Neo-Victorian Biofiction, 2020-09-07 This volume explores the many paradoxes of neo Victorian biofiction a genre that yokes together the real and the imaginary biography

and fiction and generates oxymoronic combinations like creative facts fictional truth or poetic truthfulness Contemporary biofictions recreating nineteenth century lives demonstrate the crucial but always ethically ambiguous revision and supplementation of the historical archive Due to the tension between ethical empathy and consumerist voyeurism between traumatic testimony and exploitative expos the epistemological response is per force one of hermeneutic suspicion and iconoclasm In the final account this volume highlights neo Victorianism s deconstruction of master narratives and the consequent democratic rehabilitation of over looked microhistories *Michigan Alumnus* ,1950 Includes section Some Michigan books **The Victorian Law Reports** Victoria. Supreme Court,1890 **The Victorian Naturalist** ,1885

The Victorian Reports ,1876 **The Victorian Statutes** Victoria,1890 This edition of the Statutes is intended to contain with some slight exceptions all the Acts in force in Victoria by whatever authority up to and inclusive of the Consolidating Acts 1890 It consists of seven volumes In the first five appear the general public Statutes and the more permanent Rules and Regulations made under powers therein contained A sixth volume includes all the private Acts and Acts of a local or personal nature In the seventh and last volume will be found the Acts of the Federal Council of Australasia and a number of Imperial enactments that appear to be applicable either by direct enactment or by implication to Victoria Preface **The Melbourne Review** ,1879 **Mr. Punch's Victorian Era** E. J. Milliken,1887 Victorian Year Book Henry Heylyn Hayter,1874 **The Victorian Review** ,1880 *A Victorian Anthology, 1837-1895* Edmund Clarence Stedman,1895 **Victorian Year-Book for the Year ...** Henry Heylyn Hayter,1875 **George Alfred Henty and the Victorian Mind** Leonard R.N. Ashley,1999 A popular and prolific writer in his day Henty helped revolutionize author publisher relations in the Anglo American publishing world of the late 19th Century Henty also helped transmit the traits and practice of the public school classes of England This work provides a key study of a neglected cultural figure *Victorian Poets* Edmund Clarence Stedman,1888
