How to Lead a Great Small Group Meeting Joel Comiskey, 2021-11-02 Your leaders really can lead cell group meetings that cause the members to say WOW This book will show your leaders how to hear God during the meeting structure the meeting so that it flows spur the group members to participate and share openly create stimulating questions listen effectively and see the details that create a warm inviting atmosphere for unbelievers Do people expectantly return to your group meetings every week Do you have fun and experience joy during your meetings Is everyone participating in discussion and ministry You can lead a great cell group meeting one that is life changing and dynamic Most people don t

realize that they can create a God filled atmosphere because they don't know how. Now the secret is out. This guide will show you how to Prepare yourself spiritually to hear God during the meeting. Structure the meeting so it flows. Spur people in the group to participate and share their lives openly. Share your life with others in the group. Create stimulating questions. Listen effectively to discover what is transpiring in others' lives. Encourage and edify group members. Open the group to non-Christians. See the details that create a warm atmosphere. By implementing these time tested ideas your group meetings will become the hot item of your members' week. They will go home wanting more and return each week bringing new people with them.

Home Cell Group Explosion Joel Comiskey, 2023-03-08. Home Cell Group Explosion 2023 version is the most researched and practical book ever written on cell group evangelism. Joel Comiskey traversed the globe to find out why certain churches and small groups are successful in reaching the lost. He found the answers and freely shares them within this volume. If you are a pastor or small group leader you should devour this book. It will encourage you and give you simple practical steps for dynamic small group life and growth. My friend Joel Comiskey is a combination of a local church practitioner and a painstaking scholar. Joel spent hundreds of hours and thousands of dollars visiting eight of the highest visibility cell group churches to interview their leaders and record his findings. I love this book because it focuses on the multiplication of cells for the greatest evangelistic results. C. Peter Wagner, Author, Scholar and Church Growth Expert. Comiskey does not just describe what is happening in cell churches. He takes the next step and identifies in a step by step fashion how we can apply these principles in our churches. It is all here, everything we need to know to start and grow a cell group ministry. I am grateful to Dr. Comiskey for the time effort and research that has gone into producing this long needed book. Richard Peace, Ph.D., Professor of Evangelism and Spiritual Formation, Fuller Theological Seminary. Joel and I shared many days in Bogota as this book was written. His grasp of cell church models is superior to any other person I have worked with. This book is a treasure of information for church planters and pastors wishing to transition to the cell model. Ralph W. Neighbour Jr., Author and Pioneer Church Planter. *Planting Churches That Reproduce* Joel Comiskey, 2008-12. Small group resources tend to overlook the spiritual side of small group leadership. And yet most would agree that spiritual preparation is the most important aspect of leading a small group. Only God's supernatural power can draw people to the truth and liberate them to be all that God wants them to be. The key distinction of this book is the spiritual perspective it gives to small group ministry. So much of the literature about small groups that is already published relates to small group technique and only touches briefly on the Spirit's power. This book is a practical reference guide to help small group leadership begin to move in the supernatural realm. The book's first priority is to help small group leaders and members trust the Holy Spirit to lead them, empower them, and work in their group. Small group facilitators often sense a lack of guidance, power, and spiritual authority. Jesus knew His disciples would be powerless without a touch from the Holy Spirit, and so He told them to wait in Jerusalem, saying, "You will receive power when the Holy Spirit comes on you and you will be my witnesses in Jerusalem and in all Judea

and Samaria and to the ends of the earth Acts 1:8 Small group leaders need a power boost to make small group ministry relevant and exciting The second priority of this book is to help the facilitator identify and mobilize each small group member to use his or her own spiritual gifts

Making Cell Groups Work Navigation Guide Joel Comiskey, Scott Boren, Ralph Neighbour, Randall Neighbour, Bill Beckham, 2023-05-27 This is an expanded 624 page reference tool for the 8 stage transition process found in How Do We Get There From Here formerly titled Making Cell Groups Work This sizable compilation is filled with hundreds of articles by pastors and experts including helpful articles such as how to transition your church's calendar and budget to allow for a growing holistic small group cell group ministry how to choose team members to implement the transition tips on how to prototype groups and much much more One of the most valuable tools found in this resource is a revealing readiness assessment tool which will help you determine weaknesses if any in four key areas of church health all of which are required for a successful transition

Biblical Foundations for the Cell-Based Church Joel Comiskey, 2012-11-06 Why cell church Is it because David Cho's church the largest church in the history of Christianity is a cell church Is it because someone said the number twelve will bring blessings and growth Is it because cell church is the strategy that many great churches are using Ralph Neighbour repeatedly says Theology must breed methodology This book sets forth the biblical theology for cell based ministry Without biblical truth we don't have a firm underpinning upon which we can hang our ministry and philosophy On the other hand we can plod through most anything when we know that God is stirring us to behave biblically Cell church is not the latest greatest church growth strategy If it were it would simply be a passing fad until the next hotter more relevant strategy comes along In fact in many places around the world cell church transforms the church through a purification process Church growth is slow but cell church helps Christ's church go deeper Joel Comiskey has been studying the cell church movement since 1991 and has discovered that the cell church strategy doesn't produce rapid growth in itself God reserves growth for himself He wants to receive the glory for all church growth The first section of this book covers the Trinity the model for all small group community The good news is that the Trinity works within believers to mold and shape them into his image This section explores God's emphasis on the family starting from Genesis Christ's formation of a new family and then the early church's focus on family Comiskey believes that family is the principal image of the church in Scripture The last chapter in this section explains Jesus and his kingdom and more specifically how Jesus trained his disciples to evangelism through home based outreach Section two reveals how the early church met in homes It explores what they did in those home meetings the size of the house churches and how home evangelism took place through ancient oikos relationships Comiskey looks at how New Testament leadership developed naturally through the house church structure and how the early church connected the house churches into celebration gatherings large group meetings The last section applies all eight chapters to the church today This last section draws out the New Testament insights that are applicable to the 21st century church

Children in Cell Ministry Joel

Comiskey,2015-11-14 In this ground breaking book Joel Comiskey challenges pastors and leaders to move from simply educating children to forming them into disciples who make disciples Comiskey lays out the Biblical base for children s ministry and then encourages pastors and leaders to formulate their own vision and philosophy for ministry to children based on the Biblical text Comiskey highlights how to disciple children in both the large group and the small group He quickly moves into practical examples of intergenerational cell groups and how effective cell churches have implemented this type of group He then writes about children only cell groups citing many practical examples from some of the most effective cell churches in the world Comiskey covers equipping for children how to equip the parents and mistakes in working with children in the cell church This is a must read book for all those wanting to minister to children both in large and small groups

Living in Victory Joel Comiskey,2020-07-14 Christians desire to grow in their relationship with God They want to flourish to experience victory in their Christian lives They want to live in the overcoming power that the cross provides But they are stuck They are like my friend John who works sixty hours per week sits in two hours of traffic each day and carries the burdens of the world on his shoulders He and his wife Jenny love each other or at least they used to They now spend their time together carting their kids to activities after driving through Taco Bell for dinner Every week John sits in the second row at church listening to the pastor and he and Jenny volunteer in the children s church But he told me last week that he is exhausted On the surface he has a good life but deep down he is drowning He has no real victory How does someone like John stem the tide How does he start living the victorious lifestyle Jesus came to offer Many find the answer in promises of a magic pill something that provides a quick fix But such fixes don t exist The victory of God is an ongoing lifestyle while adopting and applying certain priorities that prepare and equip us for life True victory comes in heaven and not on earth And only the Spirit of God living through the believer based on God s Word can give true victory But there are basic principles that God has used throughout the centuries to encourage believers and give them victory In this book I ve pinpointed nine principles and priorities that will help a believer live a victorious Christian life They are victory in preparing for eternity victory in experiencing God s love victory in God s grace victory in God s sovereignty victory in spending time with Jesus victory in close relationships victory in the local church victory in rest victory in healthy living These nine priorities will help you understand and apply principles that are simple biblical and time tested to produce spiritual emotional and physical benefits My aim is to stimulate you to live these biblical truths while allowing the Holy Spirit to transform you

Reap the Harvest Joel Comiskey,2022-08-15 This 2022 version has been completely updated from the 1999 version Have you tried small groups and hit a brick wall Have you wondered why your groups are not producing the fruit that was promised Are you looking to make your small groups more effective Cell church specialist and pastor Dr Joel Comiskey

studied the world's most successful cell churches to determine how they effectively make disciples who make disciples. These churches have embraced specific principles. Conversely, churches that do not embrace these same principles have problems with their groups and therefore are not as effective in making disciples. Cell churches are successful not because they have small groups but because they have the system in place to support the groups. In *Reap the Harvest*, you will discover how these systems work.
