Organization, Policy, and Practice in the Human Services Bernard Neugeboren, 1991 Here is a timely insightful book that greatly increases the effectiveness of human service professionals and the organizations in which they function *Organization Policy and Practice in the Human Services* is the first such text to bring together in a systematic fashion the concepts of organizational theory policy and practice in the human services Offering a basic orientation to the structure and operations of social service organizations Neugeboren addresses society's need for the successful operation of these complex institutions in our highly organized society He also calls for a re examination of what is meant by dependency and postulates new methods of dealing with the social and personal problems confronting people in contemporary society This book is indispensable for administrators practitioners and students Practitioners gain instruction in bureaucratic expertise enabling

them to maximize opportunities limit organizational constraints reduce the likelihood of burnout and otherwise become a good bureaucrat instead of an ineffective if well intentioned one Administrators will benefit from a model of organizational goals practical guidelines for evaluating the effectiveness of an organizational structure and methods for identifying and remedying the causes of organizational dysfunction Neugeboren s practical ideas make a significant contribution in preparing tomorrow s social workers to deal more effectively with the world facing each of us His theoretical insights are grounded in discussions of actual cases making them easy to apply to any human service organization Environmental Practice in the Human Services Bernard Neugeboren, 2013-01-11 Environmental Practice in the Human Services points to the need for the human services to return to their historic mission of environmental change It moves beyond the more general conceptual emphasis on person in environment toward the development of an environmental practice technology based on an intervention model which prescribes specific micro and macro roles and functions It may open the way to recapturing the conceptual breadth which characterized the first 40 years of social work as a professional and occupational entity The ecological perspective in social work has fostered an interest in the impact of social environments on service consumers Environmental Practice in the Human Services tries to rectify the historical imbalance in the human services that has emphasized people changing methods giving secondary emphasis to environmental change It instructs students preparing for practice in the human services as well as agency practitioners in the knowledge and skills necessary in environmental practice Cases in environmental practice are used to illustrate how these skills are utilized in actual practice situations The book s scope includes practice at the direct service administration planning and social policy levels it integrates micro and macro practice and shows how these two levels of practice are interdependent This enables human service practitioners to create and or modify social environments to enhance the functioning of clients being served in human service programs Topics covered include important skills in environmental practice including decisionmaking negotiating and leadership community practice and resource coordination social support the impact of organizational environments on practice environmental practice for the chronically disabled Author Neugeboren s approach is unique in its in depth focus on environmental practice applying concepts of social environment to specific practice roles This practice specific content which provides tools needed for environmental practice is in contrast to existing texts on the social environment which are very theoretical and not integrated with practice He includes material from the field of social ecology which has not been included in existing texts It shows how practitioners and administrators planners and policymakers can facilitate and support each other s work Reading Environmental Practice in the Human Services will enlighten students and practitioners with specific skills for impacting on different social environments to enhance client benefit It tells how a direct service practitioner can determine which organizational environments are suitable for particular client needs in making agency referrals It also provides administrators with information about designing planning and managing agencies with functional organizational

environments which achieve effective services Bibliographie der Wirtschaftswissenschaften ,1998 *American Book Publishing Record* ,2005 **The McDonaldization of Social Work** Donna Dustin,2016-02-17 Based upon George Ritzer's McDonaldization of Society thesis and incorporating aspects of social theory this book examines the introduction of care management to social work practice Donna Dustin analyzes care management as an example of the managerial application of efficiency calculability predictability and control to social work practice These principles put to good use in organizations that produce tangible outputs at a profit are being increasingly applied in non profit public sector organizations where the outcomes require intangibles such as professional relationships The author examines whether the McDonaldization process heightens dilemmas such as cost versus rights for professionals working in the social services Using social theory to frame her research with care managers and their managers in the UK the author examines the day to day implications of care management for social work practice and questions whether the construction of service users as customers contributes to empowering practice The book's in depth analysis of the policy background implementation and practice of care management will resonate with social workers in other national contexts such as the US where the care management model has been introduced **The Cumulative Book Index** ,1998 A world list of books in the English language **Sociological Abstracts** Leo P. Chall,2000 Contains more than 300 000 records covering sociology social work and other social sciences Covers 1963 to the present Updated six times per year Journal of Health and Human Resources Administration ,1986 **Monograph** ,1969 **Health Care Administration** Lawrence F. Wolper,Jesus J. Pena,1987 *Health Care in Canada* ,1979 *Planned Markets and Public Competition* Richard B. Saltman,Casten von Otter,1992 In this text a conceptual framework of planned markets is developed which aims to help policy makers and health service professionals to place narrow economic problems into the broader social and political context that they reflect **Human Services Planning Study** Minnesota State Planning Agency. Human Resources Planning Unit,1975 *Health&Medicine* ,1982 *Finding Community* William Ron Jones,Julia Cheever,Jerry Ficklin,1971 *The Human Resources Management Handbook* Samuel H. Klarreich,James L. Francek,C. Eugene Moore,1985 This volume provides a comprehensive analysis of the principles models and practice of Employee Assistance Programs EAPs in varied corporate and institutional settings in the United States and Canada The editors cover the rationale policy statements and procedural features of EAPs and deal with the procedures for marketing these programs within the organization The papers in this volume by contributors from the United States and Canada describe various EAP models including service centers assessment referral assessment treatment union based programs and peer referral The roles of various EAP professionals are examined including chapters on the role of the physician the psychiatrist the social worker the clinical psychologist the occupational nurse and management Training issues are also considered particularly those relating to skill training **Social Work Today** ,1977
