

REASON INFORMED BY FAITH

Foundations of
Catholic Morality

RICHARD M. GULA, S.S.

Reason Informed By Faith Foundations Of Christian Morality

Paulinus Ikechukwu Odozor

Reason Informed By Faith Foundations Of Christian Morality:

Reason Informed by Faith Richard M. Gula, 1989 Excellent textbook introduction to the basic issues of fundamental moral theology that considers all of today's moral issues **WHEN—Questions for Catholicism** Michael J. Tkacik, 2022-07-01 Jesus calls the church to be a sacrament to the world Sadly many women LGBTQ persons people of other faiths and lay persons experience suffering due to certain words and actions of the Catholic Church At times the language and practices of the church leave some people feeling as if their voices have been silenced their roles limited and their vocations impeded Some often feel underappreciated and disrespected This work explores a vision for the future church which faces these challenges and illuminates possible solutions Every person has gifts given by God for the building up of the church Through a thorough exploration of biblical and church teachings alternative views of these issues provide a path to inclusion for all This book is intended to bring comfort hope and healing to those who have been marginalized It also offers a map for the church as it journeys to be more of what Christ calls it to be In a manner faithful to the gospel reforms for the church are considered that open it to what the Spirit might be saying When is the time for all persons to be valued welcomed empowered and respected Now Who Would Jesus Kill? Mark Allman, 2008 In Who Would Jesus Kill War Peace and the Christian Tradition Dr Mark J Allman asks a provocative timely and timeless question Readable and thought provoking Who Would Jesus Kill Provides an overview of approaches to war and peace within the Christian tradition The author invites students to reflect on their own views as he examines in detail the topics of holy war just war and pacifism An appendix further explores the issues of war and peace from Jewish and Muslim perspectives Provided by publisher An Irish Reader in Moral Theology: Foundations Enda McDonagh, Vincent MacNamara, 2009 Now two of Ireland's most respected theological thinkers have collated some of the most significant and formative of these articles in An Irish Reader in Moral Theology First of a three volume series this volume is divided into five sections Scriptural Approaches Theological reflection Moral theory Conscience **Journal of the Society of Christian Ethics**, 2007 **Christian Morality** Russell B. Connors, 2001 Principles of Catholic morality are presented with questions concerning everyday life A Pastoral Series that offers an in depth yet accessible understanding of the fundamentals of the Catholic faith for adults both those active in pastoral ministry and those preparing for ministry The series helps readers explore the Catholic tradition and apply what they have learned to their lives and ministry situations Includes study questions and suggestions for further reading **A Pilgrim's Notes** Fausto Gomez, 2005 **Catholic Moral Theology in the United States** Charles E. Curran, 2008 In this magisterial volume Charles E Curran surveys the historical development of Catholic moral theology in the United States from its 19th century roots to the present day He begins by tracing the development of pre Vatican II moral theology that with the exception of social ethics had the limited purpose of training future confessors to know what actions are sinful and the degree of sinfulness Curran then explores and illuminates the post Vatican II era with chapters on the effect of the Council on

the scope and substance of moral theology the impact of *Humanae vitae* Pope Paul VI's encyclical condemning artificial contraception fundamental moral theology sexuality and marriage bioethics and social ethics Curran's perspective is unique For nearly 50 years he has been a major influence on the development of the field and has witnessed first hand the dramatic increase in the number and diversity of moral theologians in the academy and the Church No one is more qualified to write this first and only comprehensive history of Catholic moral theology in the United States Subject Guide to Books in Print, 2001 Moral Absolutes John Finnis, 1991 *Moral Absolutes* sets forth a vigorous but careful critique of much recent work in moral theology It is illustrated with examples from the most controversial aspects of Christian moral doctrine and a frank account is given of the roots of the upheaval in Roman Catholic moral theology in and after the 1960s **The Encyclopedia of Christianity** Erwin Fahlbusch, Geoffrey William Bromiley, 1999 The multiple award winning *Encyclopedia of Christianity* is a monumental five volume work presenting the history and current state of the Christian faith in its rich spiritual and theological diversity around the world The much anticipated second volume contains more than 300 articles written by leading scholars from around the world Richard A. McCormick and the Renewal of Moral Theology Paulinus Ikechukwu Odozor, 1995 In this study Odozor examines the American theologian Richard McCormick's thought and work in detail setting it against the backdrop of larger developments that have taken place within the church and the field of moral theology during the past 50 years *Dirty Virtues* Louke Van Wensveen, 2000 Review *Dirty Virtues* is a study of ecological virtue ethics Based on a wide ranging survey of environmental literature it offers an overview of current green virtue language dubbed dirty virtues as well as the basic elements of a matching ecological virtue theory Highlighting the integrity diversity internal tensions dynamism and visionary character of this ecological virtue language Louke van Wensveen shows both its historical roots and innovative features She includes a unique catalog of 189 virtues and 174 vices that mark the vision and praxis of people committed to ecological flourishing Jacket **Vatican II** Jose Antonio E. Aureada, Richard G. Ang, 2007 The Publishers Weekly, 1988 My Conscience Mary Aloysius Adimonye, 2002 **The Moral Bond of Community** Bernard Vincent Brady, 1998 This introduction to Christian ethics moves from Biblical faith to the harder questions about late 1990s life *Moral Theology in an Age of Renewal* Paulinus Ikechukwu Odozor, 2003 This study offers a comprehensive survey of developments in moral theology since the Second Vatican Council The author discusses the call of the Council for the renewal of moral theology and the role the Council itself played in this renewal Odozor also explores the various issues and controversies which have marked the discipline since the 1960s The dramatic changes and developments in moral theology during this period rival any in the history of the Church of Christian morality natural law scripture and ethics moral norms the Church's teaching authority virtue ethics and casuistry Odozor provides a constructive proposal for a common ground which makes these debates in moral discourse possible ethicists systematic theologians and anyone interested in Catholic cultural and intellectual history since Vatican II **Deontology and Teleology** Todd A. Salzman, 1995 The consideration of

normative ethics and methodology is a relatively recent phenomena in Catholic moral theology. Similar to any nascent discussion having adopted terms and concepts from one conceptual genre, British analytic philosophy, into a radically other genre, Catholic moral theology, one then needs to begin the work of clarifying how and to what extent those terms and concepts contribute to the overall project of moral theology as a science. As Pope John Paul II's encyclical *Veritatis Splendor* attests, this incorporation has met with a great deal of resistance based on misunderstandings of the nature and purpose of normative ethics and methodology. Deontology and Teleology is a pioneer account which exposes and clarifies many of the terminological and conceptual ambiguities inherent to this discussion. It begins with an investigation of C. D. Broad's meta-ethical division of theories into deontology and teleology and the epistemological/ontological foundations on which he established this division. An analysis of how and why Broad's theory has been incorporated into Catholic discussions on the foundation and formulation of norms, along with the inherent difficulties of such an incorporation, is then taken up. Finally, this study argues and substantiates through detailed historical analysis that a fundamental difference between traditionalists and revisionists in their relative perspectives on norms rests in the traditional understanding and moral evaluation of the human act, specifically the *objectum circumstantiae* and *finis* (sources of moralities). This is an indispensable resource work for those interested in fundamental moral theology and lays the foundation for pursuing further the complex question of normative ethics in Catholic moral theology.

Moral Theology After Humanae Vitae Vincent Twomey, 2010. The author discusses some of the major developments in fundamental moral theology which were sparked off by the publication of the hugely controversial encyclical *Humanae Vitae* (1968) as well as the impact of its rejection by many leading moral theologians. Within the broader cultural background of modernity, Professor Twomey analyzes this dissent and attempts to sketch an alternative moral theology based on the recovery of virtue as the context for moral reflection and on a new appreciation of the nature of sexuality. He also attempts a positive appreciation of the generally neglected doctrinal content of Pope Paul VI's encyclical that shook the world when it appeared in order to explain why *Humanae Vitae* remains to this day a sign of contradiction within the Church and beyond.

The Enigmatic Realm of **Reason Informed By Faith Foundations Of Christian Morality**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary. Within the captivating pages of **Reason Informed By Faith Foundations Of Christian Morality** a literary masterpiece penned with a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting affect the hearts and minds of those who partake in its reading experience.
