Reason To Hope A Psychosocial Perspective On Violence And Youth:

Reason to Hope Leonard D. Eron, Jacquelyn H. Gentry, Peggy Schlegel, American Psychological Association, 1994-01-01 Reason to Hope A Psychosocial Perspective on Violence and Youth proceeds from the empirically based conviction that violence is not inevitable Current theory and epidemiological clinical and empirical data on violence among youth are examined to help researchers practitioners and policymakers make informed decisions about prevention and intervention Experts in the field of violence explore the etiology of youth violence from developmental and sociocultural perspectives the experience of violence by ethnic groups and other vulnerable populations such as gay and lesbian youth and youth with disabilities the influence of societal factors such as media guns and gangs on violence among youth the most promising empirically supported preventive and rehabilitative interventions and the most pressing needs for research and policy development in this area By identifying individual and contextual factors influencing violence that are amenable to change and by exloring how these factors can actually be changed this book lays the groundwork for significant progress toward reducing violence among youth Handbook of Empirical Social Work Practice, Volume 2 John S. Wodarski, Bruce A. Thyer, 1998-01-29 Covers key social problems and practice related issues The last two decades in social work have seen tremendous strides in field research from the development of improved research designs to more accurate methods of problem measurement and outcome analysis Drawing upon these significant advances the two volume handbook of Empirical Social Work Practice brings together empirically validated interventions for many of the psychosocial problems most frequently encountered by social workers in their daily practice Unlike other books in the field that employ a theory based approach to treatment this handbook focuses on the best supported methods of helping clients with particular problems irrespective of theoretical biases offering clinicians a valuable compendium of practice guidelines for treatment Edited and authored by recognized experts in the field the Handbook of Empirical Social Work Practice is clearly written and organized for easy reference Volume Two covers key social problems and practice related issues including Crime homelessness and unemployment Domestic violence and sexual abuse Family conflict and preservation Practice approaches for older clients Empirically based supervision With information that is at once accessible and up to date the Handbook of Empirical Social Work Practice is a vital source of guidance for today's clinical social workers and other practicing mental health professionals as well as students One of the best tools to promote the values of the social work profession is that of empirical social work practice Telling the truth is one of these values and discovering the truth is something that empirical research is very good at This book presents credible reviews of contemporary empirical literature pertaining to selected behavioral affective and intellectual disorders and their psychosocial assessment and treatment That such a book is now possible is a striking affirmation of the merits of the approach to social work called empirical clinical practice from the Handbook of **Empirical Social Work Practice Understanding and Dealing With Violence** Barbara C. Wallace, Robert T.

Carter, 2002-11-25 How are we to deal with personal and social violence Given the global reality of daily homicide rape torture and war more individuals may be considering this question than ever before Understanding and Dealing with Violence A Multicultural Approach situates violence within a social cultural and historical context Edited by distinguished scholars Barbara C Wallace and Robert T Carter this unique volume explores historical factors socialization influences and the historical and contemporary dynamics between the oppressed and the oppressor State of the art research guides a diverse group of psychologists educators policy makers religious leaders community members victims and perpetrators in finding viable solutions to violence This timely guide examines many forms of violence including International violence from war and torture School and urban violence The rape experience of women Violence against gays lesbians and bisexuals Hate crimes against Blacks Latinos and Asians Systemic violence against people with disabilities Understanding and Dealing with Violence A Multicultural Approach offers a comprehensive theory of violence as a psychology of oppression liberation and identity development Readers will understand how invisible violence may precede visible violence and how the oppressed are transformed into oppressors Blending scholarly and personal perspectives on ethnic cleansing physical and sexual assault terrorism and police brutality an inclusive group of contributors fuel hope that humanity can break the cycle of violence An indispensable resource for psychologists educators researchers and mental health clinicians Understanding and Dealing with Violence A Multicultural Approach is also an ideal primer for undergraduate and graduate students in courses on violence peace studies and conflict resolution **Violence in Children and Adolescents** Ved P. Varma, 1997 This is an exploration of violence both by and against children its causes and approaches to its ammelioration Topics covered include children who kill racial and sexual violence the relationship to the family and the influence of television Handbook of Psychological Approaches with Violent Offenders Vincent B. Van Hasselt, Michel Hersen, 2013-11-11 The past quarter century has witnessed a dramatic upsurge of violent crime in the United States and abroad In this country the rise in violent criminal activity has been consistently documented in such published accounts as the Uniform Crime Reports and the Statistical Handbook on Violence in America published by the FBI and the Violence Research Group respectively Further social scientists particularly those working in the fields of sociology and psychology have provided a convergence of findings attesting to the magnitude of one of today s most significant social problems domestic violence e g spouse child and elder abuse Such efforts have served as the impetus for heightened clinical and investigative activity in the area of violent be havior Indeed a wide range of mental health experts such as psychologists psychi atrists social workers counselors and rehabilitation specialists have endeavored to focus on strategies and issues in research and treatment for violent individuals and their victims The purpose of this book is to provide a comprehensive and timely examination of current psychological approaches with violent criminal offenders Despite the fact that we continue to have much to learn about perpetrators of violent acts in recent an increasingly large body of empirical data have been adduced about this years issue However these data generally have appeared in disparate

journals and books That being the case it is our belief that such a handbook now is warranted **Promoting Nonviolence** in Early Adolescence Aleta L. Meyer, Albert Farrell, Wendy Northup, Eva Kung, Laura Plybon, 2012-12-06 In preparation for role play during a RIPP class 6th grade students consider the following conflict situation Sharon and Josie who are good friends tryout for the basketball team Josie makes the team but Sharon does not The week after tryouts Sharon tries to pick a fight with Josie calling her a cheater and some one the coach felt sorry for Josie is in a bind she wants to remain friends with Sharon but she is really angry with Sharon for treating her so badly What can Josie do in this situation What type of self talk will help her work out this prob lem with Sharon and keep the friendship During the role play Sharon calls Josie a cheater Then before Josie re sponds two students representing her positive and negative sides take turns whis pering into her ear Negative self talk Boy is she a loser What if everyone believes her and thinks that I cheated to get on the team Positive self talk I know I worked hard to get on the team Sharon must really be hurt that she didn t make it I can talk to her later when she's cooled down and maybe we can do something together after practice Josie listens to the two voices and decides that the best approach is to ignore Sharon's comments for now and to call her later that day to see if they can do something together This description of students dealing with everyday conflicts is guite real Youth Violence, a Literature Review Morry Sheldon Ulrich, Bruce Edwin Kappel, Canadian Training Institute, 2003 Youth Violence Jeffrey M. Jenson, Matthew O. Howard, 1999 This book identifies and discusses types of youth violence in American society today Causes of youth violence are discussed and linked to prevention and treatment programs and strategies to assess the likelihood of aggression or violence in children and youths are identified Other topics covered include violence among girls gang and drug related violence antibullying programs and spatial mapping strategies to reduce violence in schools Wie wir spielen, was wir werden Tobias Bevc, Holger Zapf, 2009 Handbook of Antisocial Behavior David M.
