Rebbes Army:

The Rebbe's Army Sue Fishkoff, 2009-04-22 Excuse me are you Jewish With these words the relentlessly cheerful ideologically driven emissaries of Chabad Lubavitch approach perfect strangers on street corners throughout the world in their ongoing efforts to persuade their fellow Jews to live religiously observant lives In *The Rebbe's Army* award winning journalist Sue Fishkoff gives us the first behind the scenes look at this small Brooklyn based group of Hasidim and the extraordinary lengths to which they take their mission of outreach They seem to be everywhere in big cities small towns and suburbs throughout the United States and in sixty one countries around the world They light giant Chanukah menorahs in public squares run Chabad houses on college campuses from Berkeley to Cambridge give weekly bible classes in the Capitol basement in Washington D C run a nonsectarian drug treatment center in Los Angeles sponsor the world's biggest Passover Seder in Nepal establish synagogues Hebrew schools and day care centers in places that are often indifferent and occasionally hostile to their outreach efforts They have built a billion dollar international empire with their own news service publishing house and hundreds of Websites Who are these people How successful are they in making Jews more observant What influence does their late Rebbe Menachem Mendel Schneerson who some thought was the Messiah continue to have on his followers Fishkoff spent a year interviewing Lubavitch emissaries from Anchorage to Miami and has written an engaging and fair minded account of a Hasidic group whose motives and methodology continue to be the subject of speculation and controversy

The Rebbe's Children Shmuli Zalmanov, 2015-02-02 In this collection of insights from the Lubavitcher Rebbe compiled from a variety of letters public addresses and private audiences the Rebbe provides practical guidelines and advice on a myriad of topics concerning and addressed to Yeshiva students who are attending Chabad Lubavitch Yeshivas The book's title *The Rebbe's Children* is inspired by the Rebbe lovingly referring to these Chabad students otherwise known as Tmimim as his own children This is apparent in the enthusiastic spirit and fatherly affection exhibited in this compilation

Meister und Schüler in Geschichte und Gegenwart Almut-Barbara Renger, 2012 *Meister Schuler Verhältnisse in der europäischen Kultur und Religionsgeschichte Rollen Modelle Konzepte* **The Rabbi Saved by Hitler's Soldiers** Bryan Mark Rigg, 2020-10-30 When Hitler invaded Warsaw in the fall of 1939 hundreds of thousands of civilians were trapped in the besieged city The Rebbe Joseph Schneersohn the leader of the ultra orthodox Lubavitcher Jews was among them When word of his plight went out a group of American Jews initiated what would ultimately become one of the strangest and most miraculous rescues of World War II And this is the incredible but true story that Bryan Mark Rigg tells in *The Rabbi Saved by Hitler's Soldiers* Amid the chaos and hell of the emerging Holocaust a small group of German soldiers shepherded Rebbe Schneersohn and his Hasidic followers out of Poland In the course of the daring escape traveling by train to Berlin rerouted to Latvia and Sweden and carried by ship through U boat infested waters to America the Rebbe would learn a shocking truth The leader of the rescue operation the decorated Wehrmacht soldier Ernst Bloch was himself half Jewish and a victim of the

rising tide of German anti-Semitism Perhaps even more remarkable were the central roles of Admiral Wilhelm Canaris head of the Nazi military intelligence service and of Helmuth Wohlthat chief administrator of Goring's Four Year Plan Pursuing every lead amassing critical evidence pulling together all the pieces of what could well be a political thriller Rigg reconstructs the Rebbe's improbable escape and tells a harrowing story about identity and moral responsibility His book is the definitive account of an extraordinary episode in the history of World War II Leadership in the HaBaD Movement Avrum M. Ehrlich, 2000-01-31 Leadership issues are subject to much discussion and interest yet too little is known of their internal dynamics Leadership and succession of authority has been a constant theme in Jewish literature and life from biblical days until today The present work studies questions relating to authority in general and Hasidic authority in particular It uses the various HaBaD Hasidic dynasties as a case study to illustrate how authority was transferred from one generation to another and how a leader emerges as a leader despite opposition The rise to eminence of Rabbi Menachem Mendel Schneerson is the third major subject discussed therein He is the focus of careful analysis Through such illustrations leadership characteristics peculiar to that movement as well as general leadership theory are better understood In this work leadership criteria are analyzed and discussed to properly ascertain what brought one person to a position of supreme leadership and what brought another to become a subordinate **Vixens Disturbing Vineyards** Harry Fox, 2010 Written in a variety of disciplines these essays rethink canonical texts through Harry Fox's rubric contributing to the understanding of historical and textual moments of embarrassment and embrace Contributors include Yaakov Elman Paul Heger Tirzah Meacham Yosef Tubi and the late Chana Safrai as well as many students colleagues and friends of Professor Fox The armed strength of France , 1877 *The Life of the Alter Rebbe* , 2005 **Index to Jewish Periodicals** , 2003 An author and subject index to selected American Anglo Jewish journals of general and scholarly interests *Inner Rhythms* DovBer Pinson, 2000-06-30 What is Jewish Music What makes a song sound Jewish What is the place of music in Jewish history and philosophy The author writes What is known to us as Jewish music is actually a compilation of styles and rhythms gathered over centuries and obtained in various manners and from countless sources However musicologists the world over agree that the purity of the Jewish song has always been retained The quality which makes it uniquely Jewish regardless of the influence on it has remained untouched and clearly identifiable What is this quality What is it that makes a song sound Jewish It is a note of longing of a child yearning to unite with his parent a nation pining for its homeland and lost temple a soul in this world remembering the holiness above and longing to reunite Each song resonates with the entirety of the Jewish experience the devastations and victories the separations and reunifications and above all the constant bond with the eternal The study of Jewish music is vast and requires volumes to contain it There are many who have analyzed its unique qualities and have written extensively on it Their examination of music is essentially a lesson in history another means of glimpsing a rich and diverse past There is yet another way to examine a song and that is to view it as an eternal message as relevant today as it

was hundreds of years ago at the time of its composition Each song tells its own story in the heart of the one who sings it It evokes a unique response in each listener A tune can touch a soul in a way no words ever could The study of music as response is what I aim to portray in this work Music can be used in a myriad of ways in our everyday lives Especially today with all of the gadgets that can convey music we are bombarded by sound Just by taking a long walk a person changes zones of melodies beats and compositions of various types Our bodies seem to vibrate to uninvited songs and noises that permeate the air around us But invited
