**Valley of the Red Dog** R.M. Beauchesne, 2025-08-04 Set during the tumultuous time of the Civil War a Confederate plot is hatched to change the course of the war using a weapon of mass destruction It falls to a team of Union agents led by one determined woman to stop it and save the Union About the Author R M Beauchesne is a retired civil servant and army officer He is married and has four children and two grandchildren Holding a love of Civil War history since ten years old Beauchesne has also been a reenactor for the 28th Mass Volunteer Infantry *A Rebel's Recollections* George Cary Eggleston, 1875 *Carey's Record of the Great Rebellion. A carefully compiled chronological history of the war, etc* James P. CAREY, 1865 *The 10 Greatest Conspiracies of All Time* Brad Meltzer, 2020-11-10 Master storyteller Brad Meltzer counts down and decodes the world's top 10 most intriguing conspiracies stories Wanted the truth In a riveting collection Brad Meltzer guides us through the 10 greatest conspiracies of all time from Leonardo da Vinci's stolen prophecy to the Kennedy assassination This richly illustrated book serves up those fascinating unexplained questions that nag at history buffs and conspiracy lovers Why was Hitler so intent on capturing the Roman Spear of Destiny Where did all the Confederacy's gold go What is the government hiding in Area 51 And did Lee Harvey Oswald really act alone Meltzer sifts through the evidence weighs competing theories separates what we know to be true and what's still and perhaps forever unproved or unprovable and in the end decodes the mystery and arrives at the most likely explanation **The Demonstrative Citizen** David Maier, 2022-04-04 Be prepared for a rapidly changing world that forces many to undertake the fight of their lives You will see a return to faith and citizenship that must be demonstrated on virtually every level The principal character David Werner becomes a pivotal resistance leader named Bear Forced to relive the events of the war before a Senate hearing we learn of how what were once unthinkable events led up to the conflict how the resistance was born how it evolved and the slow and deliberate rise of its elusive leader known as Two Dragons In this story the main character along with many others in the world watches as the country and world they once knew devolve on virtually every level Like so many they attempt to navigate the rapidly changing political environment holding on to the illusion that everything will eventually work itself out Despite their best efforts the world erupts into a global conflict that reaches America's shores In the course of this war the characters find that the enemy within their nation may be even more dangerous than their external foes Through the uncontrollable events of his new life Bear must reconcile how the tenets of a great society became so broken He and all those who struggle with him must learn to care for each other as they discover the truth that lies within each of them With the illusions of their former lives stripped away people are forced to make a choice thereby considering how each of them will express their choices through their actions From these individual choices we see the rise of the great American militia and a return to our founder's ideals Once again a people must learn to boldly walk the journey of faith and demonstrative citizenship This is not the tale of lost hope or global collapse Instead it is a story of the return to faith hope and true liberty

Nonetheless the path they must travel is fraught with danger and conflict Early on in the story the reader will assume what this story is about only to find themselves pulled in a new direction Here our characters begin to find a new and greater purpose and the reader begins to evolve with our intrepid group of unlikely worriers Throughout their struggle you will walk with them cry with them laugh with them and ultimately you may ask Who am I      **Sonnets and Other Verse** Mrs. Isadora Baker,1896      **Billy Hamilton** Archibald Clavering Gunter,1898      *Herd Register* American Jersey Cattle Club,1897
