

The pleasure and joy of man
lies in treading down the
rebel and conquering the
enemy, in tearing him up by
the root, in taking from him
all that he has.

The Unmanageable Consumer Yiannis Gabriel, Tim Lang, 2015-09-21 The Unmanageable Consumer has long been one of my favorite books in the sociology of consumption This long overdue third edition has updated and revised the basic argument in many ways Most importantly it now offers a new chapter on the consumer as worker or more generally the prosumer Assign it to your classes I have and will again and read it for your edification George Ritzer Distinguished University Professor University of Maryland USA Western style consumerism is often presented as unstoppable yet its costs mount and its grip on consumer reality weakens In this 20th Anniversary edition Gabriel and Lang restate their thesis that consumerism is more fragile and unmanageable than is assumed by its proponents Consumerism has been both stretched and undermined by globalization the internet social media and other cultural changes Major environmental threats debt squeezed incomes and social inequalities now temper Western consumers appetite for spending The 20th century Deal first championed by Henry Ford of more consumption from higher waged work looks tattered This edition of The Unmanageable Consumer continues to explore 10 different consumer models and encourages analysis of contemporary consumerism It looks at the spread of consumerism to developing countries like India and China and considers the effects of demographic changes and migration and points to new features such as consumers taking on unwaged work New to this edition Coverage of new phenomenon such as social media and emerging markets Explores contemporary topics including the occupy movement and horsemeat scandal A new chapter on the consumer as worker This is a remarkable and important book The new edition updates consumer cultural studies to take into account austerity politics and the economic crisis and the impact these have had on how we think about and experience everyday practices of shopping and consuming The authors also build on and maintain the lively and challenging argument from the previous volumes which sees the consumer as an unstable space for a multiplicity of often contradictory responses which can unsettle the various strategies on the part of contemporary capitalism to have us buy more Angela McRobbie Goldsmiths University of London The book exemplifies how social science should be engaged insightful imaginative scholarly and highly socially and politically relevant Strongly recommended to students academics as well as all people interested in understanding our time and themselves in an age of consumerism and false promises Mats Alvesson Professor of Business Administration Lund University Sweden English Fiction in the 1930s Chris Hopkins, 2006-01-01 This study approaches the fiction of the 1930s through critical debates about genre language and history setting these in their original context and discussing the generic forms most favoured by novelists at the time Chris Hopkins uses a series of case studies of texts to draw on develop or explore the boundaries contemporary usefulness and complexities of particular prose genres Generic debates and the political aesthetic effects of different kinds of representation were live issues as discursive struggles and negotiations took place between modernist and realist modes between high middle and lowbrow categorisations of culture between literature and mass culture and between different conceptions of the role of the

writer politics and nationality sexuality and gender identities Chris Hopkins draws both on well known texts and on novels which have only recently begun to be discussed by critics of the thirties particularly those by women writers whose work has still not been related very clearly to the literary and political debates of the period Organised in five sections each focusing on major genres he takes a wide range of novels as case studies and discusses their uses of generic forms relating them to other examples and to their historical political and cultural contexts

For-Profit Democracy Loka Ashwood, 2018-06-26 A fascinating sociological assessment of the damaging effects of the for profit partnership between government and corporation on rural Americans Why is government distrust rampant especially in the rural United States This book offers a simple explanation corporations and the government together dispossess rural people of their prosperity and even their property Based on four years of fieldwork this eye opening assessment by sociologist Loka Ashwood plays out in a mixed race Georgia community that hosted the first nuclear power reactors sanctioned by the government in three decades This work serves as an explanatory mirror of prominent trends in current American politics Churches become havens for redemption poaching a means of retribution guns a tool of self defense and nuclear power a faltering solution to global warming as governance strays from democratic principles In the absence of hope or trust in rulers rural racial tensions fester and divide The book tells of the rebellion that unfolds as the rights of corporations supersede the rights of humans
