

Rebellion Or Revolution

Jack A Goldstone

Rebellion Or Revolution:

Rebels and rulers : 1500 - 1660. 1. Society, states, and early modern revolution. Agrarian and urban rebellions Perez Zagorin, 1982 *Rebels and Rulers 1500 1660* is a comparative historical study of revolution in the greatest royal states of Western Europe during the sixteenth and the first half of the seventeenth centuries Revolution as a general problem and the causes and character of revolution in early modern Europe have been among the most widely discussed and debated topics in history and the social sciences since the 1940s Although the subject of social and political unrest and revolution in the early modern period has received much attention and despite the existence of a very large literature devoted to particular revolutions of the time no one has attempted the broad comparative synthesis that is given by Professor Zagorin in this study Volume I of *Rebels and Rulers* presents a critical discussion of different concepts and interpretations of revolution including Marxism It reviews previous attempts to deal with early modern revolutions and suggests a typology appropriate to the latter It then provides an extensive survey of the historical context in which these revolutions occurred the social structures of orders and estates the political system of monarchy and the process of absolutist state building economic trends and fluctuations and ideology The volume concludes with a detailed treatment of peasant rebellions especially in Germany and France and with an equally close look at urban rebellions in France and the possessions of the Spanish monarchy including the revolution of the Comuneros in Castile

The Disease of Liberty M. Andrew Holowchak, 2024-04-16 Liberty for Jefferson was the driving force of human history and a realizable state of the human organism and of a society of men Study of history and anthropology showed that humans were moving from the barbaric independence suffered in primal hordes which lived inefficiently on lands to a more economical human friendly use of land in social settings demanding laws for order Those laws historically favored the powerful few to the detriment of the hoi polloi As a pupil of the Enlightenment Jefferson argued that all humans were by nature equal and thus deserving of as much civic liberty as a reason oriented and sciences loving society a Jeffersonian republic could guarantee them This book philosophical explains how such a society was possible given Jefferson's conception of the nature of man and how the realization of one such society could lead through contagion to a global community of such societies There are a large number of books that cover Jefferson's political ideology e.g. Gordon Wood's *Empire of Liberty* and Adrienne Koch's *The Philosophy of Thomas Jefferson* too many to list but none that gets at the philosophical implications of TJ's views on liberty This book examining TJ as a natural scientist and philosophy examines and situates him in the manner of other great political ideologists of his day e.g. Hume and Kant

Haitian Revolutionary Studies David Patrick Geggus, 2002-08-12 The Haitian Revolution of 1789 1803 transformed the Caribbean's wealthiest colony into the first independent state in Latin America encompassed the largest slave uprising in the Americas and inflicted a humiliating defeat on three colonial powers In *Haitian Revolutionary Studies* David Patrick Geggus sheds new light on this tremendous upheaval by marshaling an unprecedented range of evidence drawn from archival research in six countries

Geggus's fine grained essays explore central issues and little studied aspects of the conflict including new historiography and sources the origins of the black rebellion and relations between slaves and free people of color The contributions of vodou and marronage to the slave uprising Toussaint Louverture and the abolition question the policies of the major powers toward the revolution and its interaction with the early French Revolution are also addressed Questions about ethnicity identity and historical knowledge inform this essential study of a complex revolution

Rebellion, Revolution, and Armed Force D.E.H. Russell, 2013-09-03 Rebellion Revolution and Armed Force A Comparative Study of Fifteen Countries with Special Emphasis on Cuba and South Africa examines the role of armed forces in rebellion This book raises and discusses the general question relating to oppression Organized into eight chapters this book begins with an overview of relevant literature on rebellion and revolution This text then discusses the concept of rebellion and considers its relationship to revolution Other chapters critically evaluate the literature on revolution and rebellion This book discusses as well the methods used for selecting the seven cases of successful and seven cases of unsuccessful rebellion based on data sources The final chapter summarizes and examines each of the unsuccessful cases of rebellion in Austria Cuba Colombia Italy Honduras Spain and Burma This book is a valuable resource for historians sociologists teachers researchers and students

Exploring Revolution Timothy P. Wickham-Crowley, 2019-07-26 This series of essays on insurgency and revolution focuses on events in Latin America since 1956 The contributors discuss revolutionary theory the nature of social movements and models of social action Topics raised include terror guerilla regimes mobilizing peasants and the vulnerability of regimes to revolution

Aggressive Political Participation Edward N. Muller, 2015-03-08 Utilizing data from a survey of attitudes and behavior of more than 2 500 residents of selected rural urban and university communities in the Federal Republic of Germany Edward Muller attempts to formulate and to test a general multivariate theory about what motivates individuals to participate in aggressive political action Since this kind of political behavior is infrequent in addition to being difficult to measure it rarely has been subjected to rigorous scientific investigation at the micro level Professor Muller's study is an attempt to understand the causes of aggressive political participation using quantitative techniques Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Revolution and Rebellion in the Early Modern World Jack A Goldstone, 1991 Annual Report of the Superintendent of Public Schools for the School Year Ending ... San Francisco (Calif.). Superintendent of Public Schools, 1871

Keywords Raymond Williams, 1985-05-16 Now revised to include new words and updated essays Keywords focuses on the sociology of language demonstrating how the key words we use to understand our society take on new

meanings and how these changes reflect the political bent and values of society Revolution Reinhart Koselleck, 1984
The Works of Orestes A. Brownson: Politics Orestes Augustus Brownson, 1885 **Finnish Communism Under Soviet
Totalitarianism** Jukka Paastela, 2003 **A Short History of England, for Young People** Elizabeth Stansbury
Kirkland, 1891 *44th Publication Design Annual*, 2009 The Iowa Normal Monthly, 1887 **Rebellion Or Revolution?**
G. E. Aylmer, 1987 Here the author conveys the massive and continuing emotional and psychological impact of the events
that occurred in England between 1640 and 1660 and offers up to date analysis of the causes significance and consequences
of what happened Rebellion Or Revolution? Harold Cruse, 1968 **The History of the Foreign Policy of Great
Britain** Montagu Burrows, 1895 *The American Aberdeen-Angus Herd-book* American Aberdeen-Angus Breeders'
Association, 1954 **Journal of the Illinois State Historical Society** Illinois State Historical Society, 1923
