Rebels On Eighth Street:

Rebels on Eighth Street Avis Berman, 1990 A champion of artists the first director of the Whitney Museum of American Art and a pivotal influence on the way American art has been perceived and received Juliana Force was a creative and flamboyant personality who dominated the New York art world for decades Yet her life an American success story of the most classic type has never been chronicled In this authoritative biography Avis Berman focuses long overdue attention on a dynamic woman who claimed as her raison d'être the very development of American art

Rogues' Gallery Michael Gross, 2009-05-05 Behind almost every painting is a fortune and behind that a sin or a crime With these words as a starting point Michael Gross leading chronicler of the American rich begins the first independent unauthorized look at the saga of the nation's greatest museum the Metropolitan Museum of Art In this endlessly entertaining follow up to his bestselling social history 740 Park Gross pulls back the shades of secrecy that have long shrouded the upper class's cultural and philanthropic ambitions and maneuvers And he paints a revealing portrait of a previously hidden face of American wealth and power The Metropolitan Gross writes is a huge alchemical experiment turning the worst of man's attributes extravagance lust gluttony acquisitiveness envy avarice greed egotism and pride into the very best transmuting deadly sins into priceless treasure The book covers the entire 138 year history of the Met focusing on the museum's most colorful characters Opening with the lame duck director Philippe de Montebello the museum's longest serving leader who finally stepped down in 2008 Rogues Gallery then goes back to the very beginning highlighting among many others the first director Luigi Palma di Cesnola an Italian born epic phony whose legacy is a trove of plundered ancient relics some of which remain on display today John Pierpont Morgan the greatest capitalist and art collector of his day who turned the museum from the plaything of a handful of rich amateurs into a professional operation dedicated sort of to the public good John D Rockefeller Jr who never served the Met in any official capacity but who during the Great Depression proved the only man willing and rich enough to be its benefactor which made him its behind the scenes puppeteer the controversial Thomas Hoving whose tenure as director during the sixties and seventies revolutionized museums around the world but left the Met in chaos and Jane Engelhard and Annette de la Renta a mother daughter trustee tag team whose stories will astonish you think Casablanca rewritten by Edith Wharton With a supporting cast that includes artists forgers and looters financial geniuses and scoundrels museum officers like its chairman Arthur Amory Houghton head of Corning Glass who once ripped apart a priceless and ancient Islamic book in order to sell it off piecemeal trustees like Jayne Wrightsman the Hollywood party girl turned society grand dame curators like the aging Dietrich von Bothmer a refugee from Nazi Germany with a Bronze Star for heroism whose greatest acquisitions turned out to be looted and donors like Irwin Untermyer whose collecting obsession drove his wife and children to suicide and with cameo appearances by everyone from Vogue editors Anna Wintour and Diana Vreeland to Sex Pistols front man Johnny Rotten Rogues Gallery is a rich satisfying alternately hilarious and horrifying look at America's upper class and what is

perhaps its greatest creation New York Modern William B. Scott, Peter M. Rutkoff, 1999 Handsomely illustrated and engagingly written New York Modern documents the impressive collective legacy of New York's artists in capturing the energy and emotions of the urban experience Carl W. Peters Richard H. Love, Carl William Peters, 1999 Throughout his life Peters depicted the ordinary places and people of America From Rochester to Rockport Peters made an amazingly coherent group of fascinating masterful American pictures Gather Up the Fragments Mario S. De Pillis, Christian Goodwillie, 2008 Struck by the beauty of every visible object in a Shaker kitchen they chanced to visit in 1923 young Edward Deming Andrews and his wife Faith Young Andrews embarked on a collection that became the passion of their lives During the following decades at a time when the art and artifacts of the Shakers were considered low art and unworthy of collecting or exhibiting the Andrewses energetically collected objects studied sources and eventually mounted exhibits and published books on Shaker culture This beautiful book is the first to document their unparalleled collection presenting some 600 photographs most never before published In addition the book brings to light the extraordinary story of the Andrewses collecting and scholarship their relationships with members of the United Society of Believers commonly called Shakers and with important New York City art world figures of the 1930s as well as their contributions toward the birth of the field of Shaker Studies More than passionate collectors Edward and Faith Andrews were intent on saving a distinct culture and their accomplishment was to preserve for future generations the most comprehensive body of knowledge ever assembled about the Shakers Exhibition Schedule Hancock Shaker Village Pittsfield MA May 2008 October 2008 Fresno Metropolitan Museum Fresno CA October 2009 December 2009 Frist Museum Nashville TN May 2011 August 2011 Rebels on Eighth Street Avis Berman, 1990 A champion of artists the first director of the Whitney Museum of American Art and a pivotal influence on the way American art has been perceived and received Juliana Force was a creative and flamboyant personality who dominated the New York art world for decades Yet her life an American success story of the most classic type has never been chronicled In this authoritative biography Avis Berman focuses long overdue attention on a dynamic woman who claimed as her raison d'être the very development of American art *Mounting Frustration* Susan E.
