Reception Of Grimms Fairy Tales:

The Reception of Grimms' Fairy Tales Donald Haase,1993 The essays address the reception of the Grimms texts by their readers the dynamics between Grimms collection and its earliest audiences and aspects of the literary philosophical creative and oral reception of the tales illuminating how writers philosophers artists and storytellers have responded to reacted to and revised the stories thus shedding light on the ways in which past and contemporary transmitters of culture have understood and passed on the Grimms tales **BOOK JACKET**

Grimms' Tales around the Globe Vanessa Joosen,2014-06-16 Grimms fairy tales are among the best known stories in the world but the way they have been introduced into and interpreted by cultures across the globe has varied enormously In Grimms Tales around the Globe editors Vanessa Joosen and Gillian Lathey bring together scholars from Asia Europe and North and Latin America to investigate the international reception of the Grimms tales The essays in this volume offer insights into the social and literary role of the tales in a number of countries and languages finding aspects that are internationally constant as well as locally particular In the first section Cultural Resistance and Assimilation contributors consider the global history of the reception of the Grimms tales in a range of cultures In these eight chapters scholars explore how cunning translators and daring publishers around the world reshaped and rewrote the tales incorporating them into existing fairy tale traditions inspiring new writings and often introducing new uncertainties of meaning into the already ambiguous stories Contributors in the second part Reframings Paratexts and Multimedia Translations shed light on how the Grimms tales were affected by intermedial adaptation when traveling abroad These six chapters focus on illustrations manga and film and television adaptations In all contributors take a wide view of the tales history in a range of locales including Poland China Croatia India Japan and France Grimms Tales around the Globe shows that the tales with their paradox between the universal and the local and their long and world spanning translation history form a unique and exciting corpus for the study of reception Fairy tale and folklore scholars as well as readers interested in literary history and translation will appreciate this enlightening volume **Fairy Tales and Feminism** Donald Haase,2004 In the 1970s feminists focused critical attention on fairy tales broke the spell that had enchanted readers for centuries by exposing the role of the fairy tale in the cultural struggle over gender This book revisits feminist criticism offers a new evaluation of its merits **Deutsche Erinnerungsorte** Etienne François,Hagen Schulze,2009 **Folktales and Fairy Tales** Anne E. Duggan Ph.D.,Donald Haase Ph.D.,Helen J. Callow,2016-02-12 Encyclopedic in its coverage this one of a kind reference is ideal for students scholars and others who need reliable up to date information on folk and fairy tales past and present Folktales and fairy tales have long played an important role in cultures around the world They pass customs and lore from generation to generation provide insights into the peoples who created them and offer inspiration to creative artists working in media that now include television film manga photography and computer games This second expanded edition of an award winning reference will help students and teachers as well as

storytellers writers and creative artists delve into this enchanting world and keep pace with its past and its many new facets Alphabetically organized and global in scope the work is the only multivolume reference in English to offer encyclopedic coverage of this subject matter The four volume collection covers national cultural regional and linguistic traditions from around the world as well as motifs themes characters and tale types Writers and illustrators are included as are filmmakers and composers and of course the tales themselves The expert entries within volumes 1 through 3 are based on the latest research and developments while the contents of volume 4 comprises tales and texts While most books either present readers with tales from certain countries or cultures or with thematic entries this encyclopedia stands alone in that it does both making it a truly unique one stop resource
