Recies Up Along Down Along Cornwall:

Cloven Country Jeremy Harte, 2023-08-25 Now in paperback an exploration of the myths of England s deceptively bucolic rolling hills and country lanes believed to be created and shaped by the Dark Lord himself According to legend the English landscape so calm on the surface is really the Devil s work Cloven Country tells of rocks hurled into place and valleys carved out by infernal labor The Devil s hideous strength laid down great roads in one night and left scars everywhere as the hard stone melted like wax under those burning feet With roots in medieval folklore of giants and spirits this is not the Satan of prayer but a clumsy ogre easily fooled by humankind When a smart cobbler or cunning young wife outwitted him they struck a blow for the underdog Only the wicked squire and grasping merchant were beyond redemption carried off by a black huntsman in the storm Cloven Country offers a fascinating panorama of these decidedly sinister English tales **Vickery's**

Folk Flora Roy Vickery, 2019-04-04 This book is a dictionary of British native naturalised and cultivated plants and the folklore associated with them Unlike many plant lore publications Vickery s Folk Flora tells us what people currently do and believe rather than what Victorians did and believed The result is a vivid demonstration that plant folklore in the British Isles is not only surviving but flourishing adapting and evolving as time goes by even in urban areas Each entry includes The plant s English and scientific Latin name as well as significant local names A brief description of the plant and its distribution and in the case of cultivated plants a history of their introduction to the British Isles Information on the folklore and traditional uses of the plant arranged where possible in a sequence starting with general folk beliefs superstitions use in traditional customs use in folk medicine other uses and legends concerning individual representatives of the plant In addition to the major entries there are a number of minor entries for feast days diseases and other subjects which direct readers to relevant major entries e g St George s Day on which red roses are worn dandelions are gathered and runner beans are planted

Bus services after the Spending Review Great Britain: Parliament: House of Commons: Transport Committee, 2011-08-11 The Transport Committee reports that extensive cuts to rural evening and weekend bus services are damaging the ability of many people especially the old young or disabled to participate in employment education or voluntary work and to access vital services such as healthcare and retail facilities In a review of England s bus services outside London after the Spending Review the Committee warns that even deeper cuts in bus services are likely in 2012 13 as local authorities struggle to deal with budgetary reductions and calls for the concessionary travel scheme to be preserved so that the elderly and disabled continue to enjoy free bus travel The Committee also concludes that the concessionary fares scheme was discriminatory because it did not apply to most community transport providers usually independent charities that provide transport such as dial a ride bus services It calls on the Department for Transport to monitor the extent of service cutbacks made this year and to review service provision again after BSOG Bus Service Operator Grant grant cuts take effect in 2012 13 so that it can analyse and draw conclusions about the wider costs and benefits of its policy changes to the country as a whole The Local

Government Association should identify and disseminate information about good and bad practice in the delivery of cost effective flexible services including community transport and or area based transport integration And local authorities and commercial operators must consult more widely where services are being changed
