Pocket Bhagavad Gita Winthrop Sargeant, 1994-01-27 The Bhagavad Gita contains a vision that is not Hindu or oriental but essentially human It s no wonder that Emerson and Thoreau and Ghandi loved this text and were so deeply influenced by it Now the widely acclaimed Sargeant translation of The Song of God is available in this pocket edition 3 x 4 1 2 Krishna meets Jesus Peter Schmidt, 2002 This book investigates the views of Christianity of Abhay Charanaravinda Bhaktivedanta Swami Srila Prabhupada 1896 1977 founder of the International Society for Krishna Consciousness ISKCON a branch of the Bengal Gaudiya Vaishnava tradition commonly known in the West as the Hare Krishna Movement Furthermore it analyses his approach to a fertile interreligious dialog with the Christian faith Yoga Daren Callahan, 2015-01-28 Millions of people practice some form of yoga but they often do so without a clear understanding of its history traditions and purposes This comprehensive bibliography designed to assist researchers practitioners and general readers in navigating the extensive yoga literature lists and comments upon English language yoga texts published since 1981 It includes entries for more than 2 400 scholarly as well as popular works manuals original Sanskrit source text translations conference proceedings doctoral dissertations and master s theses Entries are arranged alphabetically by author for easy access while thorough author title and subject indexes will help readers find books of interest Pocket Dictionary of New Religious Movements Irving Hexham, 2009-09-20 A 2003 Finalist in the Word Guild Canadian Writing Awards Studying new religious movements can be like trying to learn several languages at once each with its own vocabulary grammar and syntax The flourishing variety of these movements today makes the task even more difficult Irving Hexham has designed Pocket Dictionary of New Religious Movements to be an indispensable companion for students of religion and a fascinating guide for curious and perplexed observers of the religious scene Here are nearly 450 entries covering specific groups from the Aetherius Society to the Zion Christian Church practices from the Alexander technique to Yoga UFO religion from alien abductions to Unarius Academy of Science symbols from the ankh to yin yang religious texts from the apocryphal New Testament to the Vinaya Pitaka religious leaders from George Adamski to Rabbi Zalman Reference books on religion tend to be too large expensive and unwieldy for those who want quick information Both handy and affordable this Pocket Dictionary offers quick concise and reliable answers to basic questions about new religious movements **Business Ethics and The Bhagavad Gita** Subba Rao Pulapa, 2020-09-17 The author of this book asserts that an absence of ethical leadership and unethical practices were the reasons for major global business scandals such as Enron Satyam Lehman Brothers and WorldCom This book analyses the causes for these unethical activities and interprets important verses from The Bhagavad Gita to show business executives and leaders how to lead ethically for the greater good of all stakeholders and society As a remedy to avoid future scandals the author points to several ethical directions and the principle of Dharma mentioned in The Bhagavad Gita by Lord Krishna a major deity in Hinduism who is considered Dharm tman one who imbibes the Dharma Written in conversation style using

an executive education scenario this book examines real world cases in various sectors like education medical non government organizations NGOs and retail using the directions of the Dharm tman Narada Bhakti Sutra Ashwini Kumar Aggarwal,2019-02-10 Bhakti is a very special attitude It is a rare kind of lifestyle It requires tremendous guts large heartedness and purity of vision Narada was an adventurer from long ago who exemplified the qualities of a Bhakta We have heard the famous quote Beauty lies in the eyes of the Beholder This is what Narada lived To him each and every one was divine so he extended his hand to the cruelest sinner and to the most benevolent king He went out of his way to have a dialogue with serpents and goblins braving harsh mountains and rough weathers demons and despots commoners officers soldiers saints and children Narada exuded such warmth and caring he brought such innocence and spontaneity in his wake that he not only infused his surroundings with vitality but also imparted a measure of grace This is the story of the values he lived that an ancient sage penned down It has come down to us as priceless nuggets evoking awe and inspiration It has the charm of taking us on a journey to freedom For the students of Sanskrit grammar copious notes giving the case of each word have been clearly listed **Bhagavad Gita Reference Guide** Ram Dular Singh,1984 **The Bhagavad Gita** ,1991 The translation of Srinivasa Murthy like its predecessors celebrates pays homage to this great literary work Its use of language is clear direct yet it challenges the reader to enter into the worldview of India Conceived not from the perspective of an outsider looking in nor from the perspective of an insider seeking to mystify the curious this book admirably makes accessible a great classic of world literature in a manner true to the Indian tradition Murthy s introduction provides excellent insights based upon a lifelong study of Indian thought **Light on the Path** Mabel Collins,1920 The Word ,1912

Desai, 2014-02-05 A humanist critique of the Gita the most influential work in Indian thought The Gita is an evolving response which deals with the conflicts between Veda and Vedanta and then with the challenge posed to Vedanta by Buddhism Its shift to Bhakti is the climax of the battle between Brahmanism and Buddhism There are probably multiple authors of the Gita as shown by stylistic changes and the frequent shift of subject matter For Meghnad Desai Gita is a secular text a result of human creation over several centuries He also contends that some themes in the Gita reinforce social inequality and lack of concern for the other and to that extent he finds Gita to be toxic
