*Story-telling to Live Wire Boys* George Tasker Miller, 1930      Children's Books in Print R R Bowker Publishing, Bowker, 1999-12      **Sevyns Life: A Story About The First Black Billionaire Transgender Woman** MarthaK Sayz, Ka'milla Harris, 2024-04-06 This story provides an intriguing glimpse into the life of its protagonist Sevyn from her humble beginnings growing up in the Cabrini Green housing projects of Chicago all the way to her current status as a billionaire transgender businesswoman living in an opulent mansion in Dubai The narrative seamlessly jumps between the present and flashes back to Sevyn s childhood painting a picture of how she has risen from nothing to achieve immense success against all odds From the very first chapter the author establishes Sevyn as a strong driven woman who hasn t let her past hold her back We find her waking up beside her loving husband Rich in their sprawling Dubai estate but even amid this life of luxury the scent of coffee and bacon takes her back to memories of her grandmother s kitchen in Cabrini Green These glimpses into Sevyn s childhood highlight the grit and resilience she developed early on traits that would serve her well on her journey Despite everything she endured growing up in such an impoverished environment she has never stopped believing in herself or her ability to make her dreams a reality After reconnecting with memories of her family and upbringing over breakfast Sevyn begins to open up to Rich about her history hinting at secrets from her past that will alter their understanding of who she is This sets the stage for what is sure to be a revealing tale of Sevyn s journey of self discovery and empowerment I m eager to learn more about the obstacles she had to overcome to reach her current position of wealth and influence Her determination to keep striving despite facing adversity serves as an inspiration That night Sevyn has another taping of her show SS Diaries though she neglects practicing her monologue as ghosts from her past resurface Through the description of her silhouette dancing in the mirror fragments cast by the chandelier the author builds an evocative sense of the inner turmoil Sevyn feels as her demons emerge But she is able to channel her memories of poverty and homelessness into finding her voice and delivers a passionate speech touching on themes of perseverance that resonates with her massive global audience After filming Sevyn and Rich retreat to the secret cellar chamber of their mansion where in addition to cannabis and music they keep priceless works of art family portraits and evidence of their philanthropic ambitions

Sevyn's successful career has clearly provided rich material comforts but her history still haunts her as she gazes at photos reminding her of harsher times Rich remains devotedly by her side supporting her through the resurfacing of painful recollections Their loving relationship established family and hopes for the future offer rays of light amid the shadows of Sevyn's past that continue emerging I'm left wanting to know more about the specific hardships she faced and how she was finally able to overcome them Her journey seems sure to inspire with its message of empowerment and achieving the impossible through grit resilience and an unbreakable spirit The author provides vivid sensory details that transport the reader directly into Sevyn's lavish yet conflicted world From the scents and sounds that transport her back to her childhood to the reflection of her quivering form in the mirrors as trauma resurfaces one can feel the visceral experience of Sevyn's memories and emotions The interweaving of flashbacks with the present day also builds engaging dramatic tension making me eager to watch as more of Sevyn's history is revealed piece by piece Both Sevyn and Rich come across as complex multilayered characters and I appreciate the glimpses into Rich's background and support of Sevyn that help balance the focus on her experiences Their caring partnership serves as a strong foundation that clearly played a role in helping Sevyn achieve all she has Her determination to keep growing in her philanthropy work despite struggles with her past shows an evolved character who wants to use her platform to help others facing similar adversity In summary this novel introduction draws the reader deeply into Sevyn's intriguing world through vivid sensory storytelling and bits of mystery surrounding her past Both the present day scenes of luxury and the historical flashes back to harder times feel richly realized Sevyn emerges as a compelling protagonist whose journey of perseverance through challenge upon challenge promises to hold inspiration I look forward to seeing how the author continues to peel back the layers on Sevyn's history while advancing the engaging plotlines of her marriage career and philanthropic ambitions This shows great promise as a story of empowerment and overcoming the odds through grit and resilience

Live Wire, 1923      The Mermaid Beside the Stream Stephen David Eteng, 2015-07-29

The Mermaid beside the Stream is a philosophical fiction that depicts an uncommon characteristic of a fledgling entity too soon given to the pursuit of independence It is a tale about a stripling who desires to be allowed to do things on his own at an age when most children are still totally dependent on their mothers for everything including blowing their noses The young one finally got what he was looking for an opportunity to enjoy a couple of hours of freedom free of adult monitoring But as almost always happens albeit in disparate forms and shapes to those stubbornly striving for yet unattainable heights he would encounter a mermaid beside the stream a terror inflicting meeting that complicated his world and doomed him and his relatives and friends to a lifetime of adversity It seeks to look in depth into family values the troubles faced by parents in the upbringing of children it exposes the mistake inherent in the modern trend of not whipping children when they go astray with an underlying criticism of embracing the white man's culture at the expense of pure tradition handed down by our African forefathers It exposes the debilitating effects of fear and seeks to educate and liberate

those who have allowed themselves to be shackled by it This book will appeal to all classes for like the stages of life it unfolds with bloodcurdling suspense life from cradle to early adulthood with each stage underscored by lively original poetry
