Real Sanctuary:

Interdisziplinäre Traditionstheorie Blahoslav Fajmon, Jaroslav Vokoun, 2016 In Traditionen leben oder verlorene Traditionen wiederzugewinnen setzt voraus zu erfassen wie Traditionsbildung geschieht und wie Traditionen zu bearbeiten sind Dazu bedarf es entsprechender Theoriebildung und methodologischer Arbeit Das Ph nomen Tradition ist berdies so vielseitig und vielschichtig das die Arbeit an Traditionstheorien nur interdisziplin r erfolgen kann Der vorliegende Band bietet Zug nge aus Philosophie Soziologie Sprachtheorie Philologie und Biogenetik Die Studien zielen darauf die verschiedenen Perspektiven in einer Traditionstheorie zusammenzuf hren die dann mit weiteren Perspektiven versehen werden kann Das betrifft nicht zuletzt die Traditionsbildung im Christentum Ein Teil der Autoren sind Theologen die diese Thematik in dieser interdisziplin ren Reichweite so auch f r die Theologie erschlie en

The Path to the Throne of God Sarah Elizabeth Peck, 2014 This study of the sanctuary aims to give the reader an overall view of the entire sanctuary including the earthly and the heavenly sanctuaries and reaching its climax in the temple eternal the earthly model as constructed by Moses being a type or illustration of both the others It also aims to make plain that the sanctuary symbolizes not only the redemptive work of Christ but also the Christian experience of each of His followers and of the church as a whole

The Book of Hebrews M.L. Andreasen, 2014-03-24 The book of Hebrews appeared during a critical time in the history of the early church The destruction of Jerusalem was impending and many of the believers believed the end of the world was near However Paul warned the church against entertaining a false hope for he knew they were misguided with their beliefs It was a critical time the apostles were passing away and soon the church would be left alone It was in this hour of perplexity that the book of Hebrews appeared with needed light and comfort The people needed a clear conception of the work Christ was doing for them in the courts above and this book explained the delay in His return and restored their wavering faith The conditions and problems which the church then had to meet are not unlike those facing the church today While the early church was living at the time of the fulfillment of the first part of Christ s prophecy the destruction of the city of Jerusalem and the temple we are living at the time of the fulfillment of the second part of the prophecy the coming of the Lord Jesus in the clouds of heaven As there was misconceptions of Christ s work in the sanctuary then so there are those now who likewise err There is as much need today of a thorough study of the Scriptures as there was then and more so The book of Hebrews was a great factor in stabilizing the apostolic church in the crisis hour before the fall of Jerusalem and it is hoped that a discussion of the mighty themes of the book of Hebrews will be of some help to the church of God today All need to have their eyes fastened on our great High Priest and the work He is doing in the sanctuary above And may it be the blessed privilege of many with boldness to enter into the holiest by the blood of Jesus by a new and living way which he hath consecrated for us through the veil that is to say his flesh Heb 10 19 20 This was the prayer and hope of the author of Hebrews and this also is the hope of the author of this volume

Interpreting Prophecy and the Appearing of Christ

Alonzo Giles Hollister,1892 *Toward a Priestly Christology* Adriani Milli Rodrigues,2018-11-02

Toward a Priestly Christology is a constructive theology on the person and work of Christ from the standpoint of a systematic thinking about his priesthood This priesthood is usually discussed in biblical scholarship on the Christology of Hebrews and also explored in historical or systematic theology with its connections with soteriology and ecclesiology However there is a scarcity of studies that attempt to systematize this topic in its basic components and their ontological foundations in order to provide conceptual clarity for a constructive discussion of the priestly Christology in systematic theology The book makes a contribution to this discussion by engaging firstly with the main models of Christ s priesthood in Christian theology and then with a theological reading of the letter to the Hebrews In both steps the author conceptually articulates the priesthood in terms of need agent actions and goal Then he observes the conceptual articulation from the macro hermeneutical point of view of ontology especially noticing how assumptions on time and space impact the internal logic of Christ s priesthood By using existing models of this priesthood as heuristic tools for systematic thinking the work attempts to push Christian theology toward a more dynamic understanding of Christ s priesthood especially regarding the relationship between the ascended Christ and our Christian life

Thy way O God is in the sanctuary who is so great a God as our God Psalm 77 13 If you think the Old Testament feast days are outdated and of no interest to Christians living in the twenty first century think again Within the feast days lies the entire gospel message of salvation every feast says something about Jesus who He is what He is doing and what He will do in the future Feast Days for the Contemporary Mind will open your eyes to the amazing truths about salvation that God wove into the feasts He gave to the Israelites to observe Pastor Craig Martin Barnes explores each of the seven feasts and the antitypical fulfillment of each event as it relates to our redemption This book plunges you into the Word of God examining the Old and New Testament as it relates to the feast days and their completion and providing detailed commentary that expounds upon the subject matter and guides you to a deeper understanding of Jesus life death and heavenly ministry *A Treatise on the Lord's Supper.
