## **Really Bad Swing Thoughts:**

*Really Bad Swing Thoughts* Paul Francis, Peter J. Reilly, 1998 It's a known fact that golfers shouldn't think too much before taking a shot. After all, too much thought can ruin any chance you may have at dumb luck. Whether you're thinking about work, your in-laws, or the last time you fed the dog, there's nothing more detrimental to your golf game than an overactive mind. *Really Bad Swing Thoughts* is the new book from Becker Mayer, a collection of thoughts, scenarios, and visualizations that would distract, discourage, and defy even the most practiced golfers. Divided into such chapters as Opposite Sex, Betting, Putting, and Oops, *Really Bad Swing Thoughts* looks at the game through the eyes of the golfer who can't quite concentrate on the task at hand. Authors Paul Francis and Peter J. Reilly capture the humor that can be found when a variety of shots are coupled with unique situations from playing against a female golf pro, I hope I'm not wearing those World's Best Dad boxer shorts, and hitting a shot left-handed. It'd be easier to put my elbow in my ear to starting the back nine when you're the worst player in a tournament foursome. I can always pretend to sprain my ankle and beg out. With visualizations to complete golf anxieties such as You're center ring at the county fair trying to grab hold of a greased pig and Picking a sunflower seed out of the Grand Canyon with tweezers, this very funny book will help golfers recognize their own foibles. A parody of countless books on how to improve the mental aspects of your golf game, *Really Bad Swing Thoughts* is the ideal gift for the distracted golfer.

**Grow the Tree You Got** Tom Sturges, 2011-05-05 A wise and inspiring guide to parenting through the extraordinary and at times tumultuous journey that is the adolescent and teenage years When Tom Sturges became a father he decided that he wanted to be one of the greatest fathers that ever walked the earth But things became a bit more complicated when his older son turned ten and the chatty kid he'd known suddenly started locking his bedroom door Tom realized he needed to find a way to stay on track he needed crib notes So if a parenting idea or technique worked well he wrote it down And if he stumbled across something another parent did that was particularly ingenious or exemplary he wrote that down too In *Grow the Tree You Got* Tom presents golden rules for raising happy healthy and compassionate adults His mantra It's impossible to show our children too much respect but it's worth the effort to try

**Own Your Game** Dave Stockton, Matthew Rudy, 2014-03-13 The Pro Tour's hottest coach Golf Digest distills the lessons of a private strategy session into an indispensable soft skills companion Credited with transforming the short games of world class golfers like Rory McIlroy Phil Mickelson Annika Sorenstam and Yani Tseng Dave Stockton is one of the most sought after coaches in golf Yet Stockton's natural abilities are more like the average player's than those of most tour superstars Not particularly long off the tee and average in terms of ballstriking Stockton has won multiple major championships through a willingness to set his ego aside and analyze his game objectively precisely what makes him so effective as an instructor The hallmark of Stockton's coaching is the idea that trying doesn't work He shows students how to get out of their own way and let their subconscious take over In *Own Your Game* Stockton recreates the experience of riding eighteen holes with him at one of his highly sought after corporate outings He explains how any player can learn to use his or her mind effectively both in the microcosm of the shot at hand and in plotting a way through a round Amateur golfers are tired of trying to imitate the swings of the pros to mostly disastrous results Stockton gives players the tools and the freedom to play better with the swing they currently have Portable conversational practical and complete with a mini guide to playing
