Childhood Studies Vibiana Bowman, 2007-02-08 Editor Vibiana Bowman has drawn together contributions from some of the leading scholars in the interdisciplinary field of children and childhood studies CCS in this guided approach to literature searching in CCS The contributors to this book are both faculty currently teaching in the area of CCS and academic librarians The charge given to each contributor was to write a chapter that explained the process of scholarly research in his or her own particular area of expertise to a student unfamiliar with that discipline Towards this end the book provides background information about interdisciplinary study in general and children and childhood studies in particular as well as an outline of basic research practices Each contributor serves as a mentor and suggests a search strategy discusses significant concepts and vocabulary and lists the major resources that scholars in that area would be expected to use Not intended as an exhaustive list of in print research resources rather the emphasis throughout this guide is on useful resources and effective research methodologies As the field of CCS continues to evolve in the upcoming years Scholarly Resources for Children and Childhood Studies will serve as an excellent stepping stone for those just entering the area **Language**

Prescription Don Chapman, Jacob D. Rawlins, 2020-09-21 This book is a detailed examination of social connections to language evaluation with a specific focus on the values associated with both prescriptivism and descriptivism The chapters written by authors from many different linguistic and national backgrounds use a variety of approaches and methods to discuss values in linguistic prescriptivism In particular the chapters break down the traditional binary approaches that characterize prescriptive discourse to create a view of the complex phenomena associated with prescriptivism and the values of those who practice it Most importantly this volume continues serious academic conversations about prescriptivism and lays the foundation for continued exploration WPA, Writing Program Administration ,1998 The Cumulative Book Index ,1999 **The Longman Handbook for Writers and Readers with MLA Updates** Christopher M.

Anson, Schwegler, 1999-08 **Writing the Modern Research Paper** Robert Dees, 2003 Writing the Modern Research Paper is a practical and contemporary guide to writing research papers offering students advice on how to think critically throughout the research process Designed as a complete reference this book offers a step by step guide to research encouraging students to think carefully and critically about such issues as audience topic and thesis as well as evaluating integrating and citing sources appropriately The text covers both informative and argumentative purposes for doing research including a full chapter on reasoning and evidence in argumentative research papers Original and realistic student examples throughout show various approaches to the methods of planning and researching This contemporary book offers full coverage of computer research technologies extensive attention to the prewriting and planning stages of the assignment and pedagogy designed to encourage students to work collaboratively There is also unparalleled coverage of the major disciplinary documentation forms MLA APA CBE and Chicago The book also features examples from modern research sources Citation Indexes the Internet not covered in other texts **Journal of Hispanic Philology** ,1991 **Literature**

and the Writing Process Elizabeth McMahan, Susan X. Day, Robert Funk, 2006-12 Writing process covered in EVERY chapter Focus on the writing process throughout the book not just as an added element but as an integral part of the literary study This allows students to improve their writing while enjoying the study of literature Chapter 4 Researched Writing has been revised and moved to the front of the book The chapter now follows the initial chapters on the writing process and provides easy to follow instruction for planning researching and documenting a paper using secondary sources including a detailed description of the MLA Style for citing and crediting these sources The chapter also contains a new documented student essay and is generously supplemented by Ideas for Researched Writing throughout the book Seven sample student papers some with drafts instructor or peer comments and prewriting materials that illustrate how to write about each genre and how to do researched writing Students can see and understand how to go about devising and drafting their essays they profit from seeing the writing process illustrated at every stage Three kinds of writing prompts included in each chapter allow instructors to choose among them flexibly depending on his or her goals and philosophy The single text for class saves them money and is convenient
