## **Rebel The Life And Times Of John Singleton Mosby:**

**Rebel** Kevin H. Siepel, 2008-07-01 *Rebel* is the first complete biography of the Confederacy's best known partisan commander John Singleton Mosby the Gray Ghost. A practicing attorney in Virginia and at first a reluctant soldier in 1861 Mosby took to soldiering with a vengeance becoming one of the Confederate army's highest profile officers known especially for his cavalry battalion's continued and effective harassment of Union armies in northern Virginia. Although hunted after the war and regarded in fact as the last Confederate officer to surrender he later became anathema to former Confederates for his willingness to forget the past and his desire to heal the nation's wounds. Appointed U.S. consul in Hong Kong he soon initiated an anticorruption campaign that ruined careers in the Far East and Washington. Then following a stint as a railroad attorney in California he surfaced again as a government investigator sent by President Theodore Roosevelt to tear down cattlemen's fences on public lands in the West. Ironically he ended his career as an attorney in the U.S. Department of Justice.

Riding in Circles J.e.b. Stuart and the Confederate Cavalry 1861-1862, We Once Met by Chance Charles V. Mauro, 2018-03-27 *We Once Met by Chance* Four Life Stories During the American Civil War follows four people's lives during the American Civil War: John S. Mosby, Charles Russell Lowell, Laura Ratcliffe, and James Robinson. Col. John S. Mosby was a Confederate officer from Virginia assigned to lead guerrilla activities outside the city of Washington. His mission was to keep the Union soldiers stationed there rather than fighting in the field against the army of Northern Virginia under General Robert E. Lee. Charles Russell Lowell of Massachusetts was a Harvard graduate from a prominent abolitionist family. He joined the Union army eventually becoming the colonel of the Second Massachusetts Cavalry. He was sent to Virginia to capture or kill Mosby. Laura Ratcliffe was a young Southern lady living in Northern Virginia. She supported her home state of Virginia during the war in any way she could, including spying for Colonel Mosby. James Robinson was an African American man living with his family in Manassas, Virginia. The land that he owned and lived on would become the central part of the battleground for two of the major battles during the war. *We Once Met by Chance* is the story of the Civil War from the perspective of these four individuals. Readers learn about their lives, their families, and their aspirations during these tumultuous four years in American history.

**Inventing Custer** Edward Caudill, Paul Ashdown, 2015-09-03 *Custer's Last Stand* remains one of the most iconic events in American history and culture. Had Custer prevailed at the Little Bighorn, the victory would have been noteworthy at the moment, worthy of a few newspaper headlines. In defeat, however, tactically inconsequential in the larger conflict, Custer became legend. In *Inventing Custer: The Making of an American Legend*, Edward Caudill and Paul Ashdown bridge the gap between the Custer who lived and the one we've immortalized and mythologized into legend. While too many books about Custer treat the Civil War period only as a prelude to the Little Bighorn, Caudill and Ashdown present him as a product of the Civil War Reconstruction Era and the Plains Indian Wars. They explain how Custer became mythic, shaped by the press and changing sentiments toward American Indians, and show the many ways the myth

has evolved and will continue to evolve as the United States continues to change
