Śāṇḍilya-bhakti-sūtra Paramahansa Vishwananda, 2023-12-01 The ilya bhakti s tra compiled by Sage ilya is an essential text in the bhakti tradition and Vai avism at large Its ontological exploration of bhakti helps the seeker map out the process by which bhakti emerges grows and ultimately leads one to the absolute peak of spiritual experience Given Sage ilya s more pragmatic philosophical leanings Paramahansa Vishwananda s commentaries serve as a perfect balancing act Focusing on the experiential and emotional dimensions of the s tras what we are left with is an impeccable combination of intellectual and experiential nourishment The transcendent world of the Lord of true love and bliss is impossible for the mind to fully grasp but this book aims to serve as a compass pointing in its direction The journey will always be unique and ours to undertake but the guidance and framework gifted to us by the joint efforts of Sage ilya and Paramahansa Vishwananda will surely help make it as smooth a ride as it could ever possibly be **The Jewel Translucent Sūtra** Johan

Elverskog, 2021-11-29 The first full fledged critical edition and historical study of the Erdeni Tunumal Sudur the Mongolian history of Altan Khan and his descendants offering a full range English written historical and literary evaluation of this unique and fairly reliable but long neglected discovery in Mongolian studies With transcription word index and English translation as well as extensive commentary on the historical events of Altan Khan s reign especially the 1550 attack on Beijing the 1571 peace accord with the Ming and the 1578 meeting with the Dalai Lama and the subsequent Buddhist conversion In particular the author shows how Altan Khan s reformulation of the boundaries of Dayan Khan s Mongol nation and state catalyzed the political fragmentation of the Mongols with dire consequences in relation to the rising Manchu state Vital for a better understanding of Mongol history during the late Ming **Zen Radicals, Rebels, and Reformers** Perle

Besserman, Manfred B. Steger, 2011 The Guys in this Book are my Heroes and Perle Besserman and Manfred Steger have done a tremendous job of bringing their stories to life It s important to put a spotlight on the radical rebellious characters who have shaped the Zen Buddhist lineage I really like this book Brad Warner Author of Hardcore Zen **Rebel Sutra** Shariann Lewitt, 2001-07-15 The colony world of Maya is run by the Changed a carefully inbred aristocracy clustered in their hillside city high above Babelion and its wretched swarms of poor colonists For generations now the Changed have been altering their own genes and their children s They re smarter faster longer lived better with computers and acutely aware of their own superiority What they don t admit is that they have become a separate species Every year the Changed generously allow a handpicked group of human children to come up from Babelion and be tested alongside their own young But the Changed know as the humans do not that it s a sham The humans will always fail They don t have the right genetic makeup the years of intensive training it takes to mesh properly with the computer system where the test takes place Their best will never be enough It s a subtle way of teaching them their place Then one year Arsen shows up strong smart wildly charismatic and not at all convinced of the superiority of the Changed Still he s nothing the system couldn t cope with until he hooks up

with Della Changed born and bred but every bit as rebellious as Arsen She too doubts that the serenely self absorbed Changed have all the answers She even has ties to the Tinkers the mysterious vega bond scientists who make Maya one of their stopping points What starts between Arsen and Della will tip their whole on its side and start it rolling downhill
