

Rebels at Rock Island

The Story of a Civil War Prison

Benton McAdams

Rebels At Rock Island

United States. War Department

Rebels At Rock Island:

Gone with the Glory Brian Steel Wills,2011-10-16 From Birth of a Nation to Cold Mountain hundreds of directors actors and screenwriters have used the Civil War to create compelling cinema However each generation of moviemakers has resolved the tug of war between entertainment value and historical accuracy differently Historian Brian Steel Wills takes readers on a journey through the portrayal of the war in film exploring what Hollywood got right and wrong how the films influenced each other and ultimately how the movies reflect America s changing understandings of the conflict and of the nation

Captives in Gray Roger Pickenpaugh,2009-05-24 Perhaps no topic is more heated and the sources more tendentious than that of Civil War prisons and the treatment of prisoners of war POWs Partisans of each side then and now have vilified the other for maltreatment of their POWs while seeking to excuse their own distressing record of prisoner of war camp mismanagement brutality and incompetence It is only recently that historians have turned their attention to this contentious topic in an attempt to sort the wheat of truth from the chaff of partisan rancor Roger Pickenpaugh has previously studied a Union prison camp in careful detail Camp Chase and now turns his attention to the Union record in its entirety to investigate variations between camps and overall prison policy and to determine as nearly as possible what actually happened in the admittedly over crowded under supplied and poorly administered camps He also attempts to determine what conditions resulted from conscious government policy or were the product of local officials and situations A companion to Pickenpaugh s Captives in Blue

The Loyal, True, and Brave Steven E. Woodworth,2002-04-01 Courage perseverance and dedication were hallmarks of the Civil War soldier These qualities along with their disarming humanness have lent an enduring attraction to their story In The Loyal True and Brave America s Civil War Soldiers readers will learn how the soldier s story has changed over the years being told in different ways as passing generations introduced their own questions and interests Steven Woodworth weaves together a variety of writings by historians and by Civil War soldiers themselves so that readers are presented with a lively balanced picture of all the major aspects of the Civil War soldier s life Woodworth presents the experiences of both Union and Confederate soldiers so readers gain equal perspective on the men who enlisted for North and South The Loyal True and Brave contains detailed descriptions of every facet of the soldier s life including enlistment combat hospitals prison and camp life Included are writings by Civil War soldiers Abner R Small an officer in a Maine regiment John C Reed a lawyer planter from Georgia and member of the 8th Georgia and German immigrant Johann Stuber of the 58th Ohio Renowned historians Reid Mitchell Bell I Wiley James M McPherson Earl J Hess and Gerald F Linderman are also featured Each chapter begins with an introduction by Woodworth discussing the general topic of that chapter and the historiographical issues involved These selections offer the best brief introduction available on Civil War soldiers and the historians who have written about them The Loyal True and Brave is ideal for courses on the Civil War and Reconstruction American nineteenth century history and American social and cultural history

House documents ,1889
