Haley, 2014-09-07 On an I will if you will dare John Haley enlisted in the 17th Maine Regiment in August 1862 for three years unless sooner discharged Discharged shot or starved would have been more accurate Haley later wryly observed Though a reluctant soldier at first he served steadfastly in the Army of the Potomac for nearly three years participating in some of the most significant battles of the Civil War John Haley was not the only soldier to record each day s events in his journal by firelight or by picket s lantern for his was a literate generation He was unusual in that he later painstakingly rewrote his battlefield notes reflecting at leisure and adding fascinating political and personal commentary to produce the remarkable volume he calls Haley s Chronicles Battlefields of the Civil War Roger William Hicks, Frances E. Harvie Dew, 1892 *Yankee Rebel* John G. Barrett, 2017-10-10 This volume makes available a fascinating narrative and a document of singular importance to the study of the Civil War It provides a clear and realistic account of the author s reaction to combat and prison life on Johnson s Island in Lake Erie Originally published 1966 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *Yankee Warhorse* Mary Bobbitt Townsend, 2010-03-24 A German born Union officer in the American Civil War Maj Gen Peter Osterhaus served from the first clash in the western theater until the final surrender of the war Osterhaus made a name for himself within the army as an energetic and resourceful commander who led his men from the front He was one of the last surviving Union major general and military governor of Mississippi in the early days of Reconstruction This first full length study of the officer documents how despite his meteoric military career his accomplishments were underreported even in his own day and often misrepresented in the historical record Mary Bobbitt Townsend corrects previous errors about his life and offers new insights into his contributions to major turning points in the

war at Vicksburg Chattanooga and Atlanta as well as other battles Townsend draws on battle reports not found in the Official Records on personal papers and on other nonpublished material to examine Osterhaus's part in the major battles in the West as well as in minor engagements. She tells how he came into his own in the Vicksburg campaign and proved himself through skill with artillery expertise in intelligence gathering and taking the lead in hostile territory blazing the trail down the west side of the river for the entire Union army and then covering Grant's back for a month during the siege at Chattanooga. Osterhaus helped Joe Hooker strategize the rout at Lookout Mountain; at Atlanta he led the Fifteenth Corps, the largest of the four corps making Sherman's March to the Sea. Townsend also documents his contributions in the battles of Wilson's Creek, Pea Ridge, Arkansas Post, Port Gibson, Ringgold Gap, and Resaca and shows that he played a crucial role in Canby's Mobile Bay operations at the end of the war. In addition to reporting Osterhaus's wartime experiences, Townsend describes his experiences as a leader in the 1848-1849 Rebellion in his native Germany, his frustration during his term as Mississippi's governor, and his stint as U.S. consul to France during the Franco-Prussian War. Osterhaus stood out from other volunteer officers in his understanding of tactics and logistics, even though his careful field preparation led to criticism by historians that he was unduly cautious in battle. Yankee Warhorse sets the record straight on this important Civil War general as it opens a new window on the war in the West.
