and possible blackmailer and ended it just two decades later as a Romantic poet and early feminist thinker of note She was the subject of paintings by Gainsborough and Reynolds and of a hundred political cartoons Variouslly portrayed as a wounded innocent and a harlot she deliberately chose in her later career to make a political issue of her sexuality Born in 1758 in the shadow of Bristol cathedral she married at fifteen one Thomas Robinson an articled clerk of seemingly good family But Mary had barely made her curtesy to society before discovering that Robinson was little better than a conman As things grew worse she followed her husband into debtors prison where she wrote her first book of poems Encouraged by Sheridan and Garrick who admired her beauty she went on the stage and over the next four years appeared in nearly forty plays before being cast as Perdita in A Winter s Tale The performance was witnessed by the 17 year old Prince of Wales and they embarked on a widely satirized liaison that saw the prince offering to pay Mary 20 000 when he came of age Mary had made her mark in fashionable Georgian high society and this over the next two momentous decades was where she contrived to stay Mary s brief life saw a radical change in western society Born at a time when women dressed their hair with powder and wore stiff brocade over whalebone she died when simple muslin shifts clad women in comparative nudity a sea change as abrupt as any before the advent of the mini skirt Above all her career saw the moments when the French queen lost her head and America declared independence With all these events Mary Robinson was associated sometimes directly This wonderful biography vividly and compellingly told by the acclaimed biographer of Arbella Stuart will explore Georgian England during a period of extreme political upheaval through the life of one extraordinary woman *Freedom & Union* Clarence Kirshman Streit,1957 *This Destructive War* John S.
