Recalling Our Own Stories Spiritual Renewal For Religious Caregivers:

Recalling Our Own Stories Edward P. Wimberly, 2019-02-01 How religious caregivers can find spiritual renewal in their own story Recalling Our Own Stories which author Edward P Wimberly describes as a spiritual retreat in book form is designed to help clergy and religious caregivers face the challenges of ministry It is also a valuable resource for practitioners who assist these clergy and caregivers in meeting the challenges of their work Wimberly enables caregivers to map out and come to grips with cultural expectations of their profession He also helps readers explore and edit the mythologies that make up their self image attitudes toward others expectations about their performance and role and convictions about ministry Finally he provides a model for spiritual and emotional review grounded in narrative psychology and spiritual approaches As Wimberly explains this book offers a way to renew our motivation for ministry by reconnecting to our original call visualizing again how God has acted and remains intricately involved in our lives Wimberly demonstrates how religious caregivers often facing burnout can tap the sources of renewal that reside in the faith community

Recalling Our Own Stories Edward P. Wimberly, 1997-05-07 Reconnect with your original call to ministry and passion for caregiving with this spiritual reneretreat in book form Clergy and other professional religious caregivers routinely find that parishioners and clients expect from them a superhuman level of empathy and love a level that embodies God s love Many of these caregivers expect no less of themselves This myth of perfection often leads to burnout in caregivers who then run the risk of damaging themselves and others Minister and counselor Edward P Wimberly crafts a powerful and innovative path to renewal based on his popular workshops and retreats He guides religious professionals trained to attend to the stories of others to reexamine the personal and professional stories that shape their own lives as individuals family members and ministers Recalling Our Own Stories a spiritual renewal retreat in book form guides religious professionals in reconnecting with their original calling Most important it offers readers ways to reauthor their personal mythologies giving them renewed vigor in ministry and caregiving Wimberly shares the varied life stories of caregivers of diverse cultural backgrounds while walking readers through the process of revisiting their lives recognizing unrealistic expectations and transforming wounded beliefs into sources of compassion strength and renewal

Undocumented Migration as a Theologizing Experience Eunil David Cho, 2024-09-02 In Undocumented Migration as a Theologizing Experience Eunil David Cho examines how Korean American undocumented young adults tell religious stories to cope with the violence of uncertainty and construct new meanings for themselves Based on in depth interviews guided by narrative inquiry the book follows the stories of ten Korean American DACA Deferred Action for Childhood Arrivals recipients who have found their lives in limbo While many experience narrative foreclosure believing My story is over Cho highlights how telling religious stories enables them to imagine and create new stories for themselves not as shunned outsiders but as beloved children of God

CAVENOMICS: Turning Towards Light Binu Peniel, 2018-07-04 The allegory of the cave by Plato is the genre of this book Plato claims that knowledge gained

through the senses is no more than opinion and in order to have real knowledge we must gain it through philosophical reasoning. A journey through this book is intended to create a lasting influence in the lives of people through creating values. I believe that enlightenment is possible only through awareness and through a mind shift. This work brings value to your life which is Christ centered, innovative, motivational and empowering and it is a journey towards light. There are many people who journey with me in this process of healing, recovery and restoration from a labor trafficking situation. I truly believe no one can be a slave until and unless one gives up one's willpower and one's own desire to be set free. Cavenomics is an attempt to enlighten your mind, your spirit, your soul and your being. Liberation, freedom, recovery and restoration is possible. Cavenomics is the mantra for success.

Family Crucible Anthony J. Headley, 2010-01-01. This book explores the life and ministry of John Wesley from the perspective of Murray Bowen's Extended Family Systems Theory and to a lesser extent from Alfred Adler's concept of family constellation. Throughout the book the author uses concepts drawn from these theories to explore significant historical and pivotal events in the life of John Wesley. Beginning with family events prior to his birth, the author also explores his early family constellation, influential themes, factors shaping his ministry and various relational issues including his relationships with Sophy Hopkey, Grace Murray and his marriage to Mary Vazeille. It concludes by drawing lessons from Wesley's life pertinent to today's ministers.

Claiming God Edward P. Wimberly, 2003. This book attempts to answer two perennial questions: What does it mean to be persons of worth and value in our contemporary culture? And how can a relationship with God give us a renewed sense of our worth and value? The thesis of this book is that we become persons by internalizing the conversations in which we take part, but we become holy persons by giving conversation with God a privileged status over all other conversations. Even though persons are labeled worthy and valuable by our culture, we are judged in our culture by market values that are antithetical to Christian values. In the marketplace, persons are deemed worthy and honorable if they are, for example, a particular color, age, gender, class or religion. Persons are considered shameful if they aren't. Worthy persons are invited in and shameful persons are shut out. Following the African American tradition of drawing on biblical material, this book will use Biblical narratives but also contemporary African American autobiography and fiction to show pastors how to enable the transformation that comes when persons learn to put conversations with God in the forefront. For example, the book of Job is about a person who suffered staggering losses, who was shamed by well-meaning friends but who still talked and listened to God. Throughout the book we see Job sorting through different levels of conversation about human value and worth until God's voice breaks through with sound and fury. The Book of Job gives us no answer to the reason for suffering, only that God is present and that a relationship with God is always possible. Wimberly offers an elegant tool to help pastors understand how persons come to a renewed sense of their value and worth. Understanding how and why transformation occurs is a fundamental issue in psychology and religion that is studied in most pastoral care classes. By using the term conversation, Wimberly can describe complex psychological phenomena and

processes simply Part of the beauty of this concept is that it can be effectively used in both religious and secular counseling contexts by professionals interested in faith development and spiritual formation The African American Pulpit ,2005

Injustice and the Care of Souls Sheryl A. Kujawa-Holbrook,Karen Brown Montagno,2009 Pastoral care is often focused on individual problems but much of what harms and impedes us stems from the larger social maladies at work in our lives This unprecedented gathering of two dozen essays discusses the realities of racism sexism heterosexism ageism ableism and classism prevalent within the church and society in an effort to broaden and inform pastoral caregivers with the knowledge and the skills needed to respond effectively to oppressed and marginalized persons The volumes also help pastors to reflect on the ways their own social location has an impact on their ministries and to gain familiarity with resources available to support pastoral caregivers in a variety of contexts **Soul Calling** Julie Ruth Harley,1998 Are those persons

who minister to others serving God because they are good at helping people Or has God put them in this work because they are the ones in need of healing Soul Calling identifies difficulties presented by ministries that create stumbling blocks to spiritual discipline Writing in a personal meditative tone Julie Ruth Harley discusses spiritually nourishing activities that will enable those in service ministries to develop spiritual discipline showing that by opening themselves to the will of God and the guidance of the Holy Spirit they can deepen the sense of meaning in their lives and ministries **Exceptional Human**
