You Remember Celebrating Fifty Years of Earth Wind Fire Trenton Bailey traces the humble beginning of Maurice White his  
development as a musician and his formation of Earth Wind Fire a band that became a global phenomenon during the 1970s  
By the early 1980s the music industry was changing and White had grown weary after working constantly for more than a  
decade He decided to put the band on hiatus for more than three years The band made a comeback in 1987 but White s  
health crisis soon forced them to tour without him During the twenty first century the band has received numerous accolades  
and lifetime achievement and hall of fame awards The band remains relevant today collaborating with younger artists and  
maintaining their classic sound Earth Wind Fire stood apart from other soul bands with their philosophical lyrics and  
extravagant visual art much of which is studied in the book including album covers concerts and music videos The lyrics of  
hit songs are examined alongside an analysis of the band s chart success Earth Wind Fire has produced twenty one studio  
albums and several compilation albums Each album is analyzed for content and quality Earth Wind Fire is also known for  
using ancient Egyptian symbols and Bailey thoroughly details those symbols and Maurice White s fascination with Egyptology  
After enduring many personnel changes Earth Wind Fire continues to perform around the world and captivate diverse  
audiences      *Association Men* ,1891      **Eton College Chronicle** Eton College,1898      CEA. Colorado School Journal
