Increase Positive Energy Develop Success Habits This book contains proven steps and strategies on how to be productive and to be successful with your day to day life This book also provides tips on how to be happy and on how you can harness inner peace Also the contents of this book provide proven steps on how to be the best you that you can be After reading this book surely your life will have a 180 turn from having boring mornings to having awesome ones Remember your day is shaped by the things you do the moment you wake up Here Is A Preview Of What You ll Learn Why Start Your Day Right A Cup of Happiness A Dose of Positivity A Leap of Faith Carpe Diem Much much more Start Your Day Right What do you do the moment you wake up Do you start your day by checking messages on your phone Or by checking your news feeds from different social media sites on your laptop Or by doing nothing because you don t really have any time for any morning rituals because you re late for work or school Or you simply woke up late and have nothing to do but sleep again Sounds familiar right You may be a night owl but being a morning person is not so bad According to researchers whatever you do first thing in the morning actually affects the whole day ahead You may be wondering how Let s put it this way you re a writer and you re starting a new book but you find it hard to start writing because you can t seem to make up your mind or better yet you have no springboard In another context you re an entrepreneur and you re starting out on a new venture but then you re having a hard time since you don t have enough resources Just like a good book having an awesome springboard or a successful business having enough resources you too must have an awesome springboard and enough resources so that your day would end up being an awesome one Here are some of the springboards or resources you ought to have Say a Prayer Prayer is the ultimate way for starting your day right When you start and end your day with a prayer you will have a peaceful heart and a peaceful soul Your prayer does not have to be lengthy and full of sugar coated words Just pray to be thankful for another chance in life and to pray for strength to hold on through all the challenges you are currently facing and for all the challenges that are to come Pray with a sincere heart and surely you will be heard Prayer is not asking It is a longing of the soul It is daily admission of one s weakness It is better in prayer to have a heart without words than words without a heart Mahatma Gandhi

Simple Living: Simplify Your Life: De-clutter Your Home, Be More Productive, Remove Stress From Your Life and Getting Things Done Tom Norman, 2016-03-11 Simple Living Simplify Your Life De clutter Your Home Be More Productive Remove Stress From Your Life and Getting Things Done This book contains proven steps and strategies on how to on how to simplify your life through clutter and stress management In this book you will find effective strategies to achieve a clutter and stress free life As you go from chapter to chapter you will gain more understanding about the complications of your life and what causes them This book will teach you how to avoid too much work and obligations as well as deal with personal anxieties and common problems at home Here Is A Preview Of What You ll Learn Identifying the Causes of Problems in Life Top 10 Tips to Eliminate Stress in Life Top 12 Tips for Productivity Home De Cluttering Top 5 Clutter Prevention Methods Simple Living Much much more Identifying the Causes of Problems in Life De cluttering your

house is not easy and so is simplifying your life In the following chapters you will find out new habits to form and new methods to learn All of which are aimed to help you set your life free from clutter and start living simply These strategies are somehow difficult but doable But in order to really achieve your goal you have to confront the causes of clutter in your life There is more to the problem than the mere presence or absence of clutter Clutter has a beginning it doesn't simply pop out from nothing If everyone in your household tosses back packs handbags briefcases and coats on the sofa organizing all those stuff today isn't going to prevent them to be in the same place tomorrow After twenty four hours the clutter will be back The given example shows you how clutter repeats itself every single day even if it's been taken care of the previous day In this case the cause of the problem could be having no designated area for each item You will learn more about designating a resting area for each of your stuff in chapter 5 So instead of simply taking care of the clutter you need to confront the root cause of the problem and find a way to solve it Below you will find some major causes of complications in life Identify which of the following examples are most related to your life Too Much To Do Sometimes you end up with so many obligations because you don't know how to say no In addition you are unrealistic about your deadlines in making goals Unable to Make Decisions When you delay on deciding how to solve a problem the problem will take on a life of its own and grow bigger
