[Training & Development For Dummies](#) Elaine Biech, 2015-05-26 Develop and deliver a robust employee training and development program Training and

Development For Dummies gives you the tools you need to develop a strong and effective training and development program. Covering the latest in talent development, this informative guide addresses classroom, virtual, and blended learning to open up your options and help you design the program that's right for your company. You'll explore the different modes of formal learning, including social learning, m-learning, and MOOCs, and delve into the benefits and implementation of self-directed and informal learning. The discussion covers mentoring and coaching, rotational and stretch assignments, and how to align talent development with the company's needs. You'll learn how to assess employee skills, design and deliver training, and evaluate each step of the process to achieve the goals of both the employee and the organization. Most employees have some weaknesses in their skill sets. A robust training program allows you to strengthen those skills, and a development program brings all employees up to the highest possible level of productivity and success. This book helps you create consistency in your company by developing and delivering the exact training and development program your people need. Develop a strong training and development program. Foster a supportive and innovative work environment. Learn about social learning, m-learning, and MOOCs. Assess and evaluate your staff more effectively. A great training and development program boosts performance, productivity, job satisfaction, and quality of services while reducing costs and supervision. Investing in your employees gives an excellent ROI, as talent development is a primary driver behind both motivation and loyalty. Training and Development For Dummies shows you how to reap these benefits with step-by-step guidance and essential expert insight.

[VeloNews 2019 Tour de France Guide](#) Editors of VeloNews, 2019-06-18 The VeloNews Tour de France Guide is your best companion to enjoying the 2019 Tour de France. Offering the deepest preview coverage of the Tour, the VeloNews Tour de France Guide will help you enjoy every stage of bike racing action, even more. The editors and sports journalists of VeloNews draw from nearly 50 years of cycling journalism and Tour de France race coverage to offer the most complete analysis of this year's Tour de France. The 2019 VeloNews Tour de France Guide includes Geraint Thomas, VeloNews exclusive interview with the 2018 Tour winner. Anniversaries of the Tour: VeloNews looks back at the races that transcended cycling and brought the sport into the mainstream: 1989, 1999, and 2009, with perspectives from the sports journalists who were there: Sam Abt, Rupert Guinness, and Andrew Hood. VeloNews Television Viewing Guide: Few people have time to watch all 100 hours of televised Tour de France racing action. Our editors tell you which stages not to miss and which ones you can probably skip. Plus our guide for viewers who have 20 hours, 10 hours, and just 5 hours of available TV time. The Stages and Favorites: We analyze every stage and provide our expert analysis and opinion on the role each stage will play in the overall race. Look for in-depth info on key stages, climbs, and roads that will decide the race. Special Tech for Special Stages: We take you inside the cutting-edge specialty bicycles, wheels, clothing, gear, and tires to see how tech will affect specific stages. The race runs July 6-28, 2019. Once the racing action begins, your VeloNews Tour de France Guide will become your essential daily guide for all 23 days of the race, from stage profiles to sprints, climbs, descents, and grueling mountaintop finishes.
